**Country**

*An **example***

Pg 1

Cross **Border**:

*In Country*

On a:

- **Journey**

*Sometimes reach*:

**Border**

*This is like*:

**End of Country**

*Omg*:

**The End**

*But*:

*If Journey*  
*Then*  
**No Problem**

**Journey** could:

- **Reach** Border
- **End of Country**

*And*:

*Even more*

**Idea of:**

- **Further**

*Probably:*

*Already **there***

*Journey:*

*Usually*  
**Continues**

*Journey:*

*Proceeding*  
*Like to*  
**Continue**

*And:*

*Journey **could***

**Reach** *Border*  
**End of Country**

**End of Country**

**Further** *on:*

**Journey**

Pg 3

Sometimes:

- They **say**
- Size **matters**

*But here:*

**No**

*Because:*

*Not **all**  
Countries  
Are **big***

*big  
**large**  
complicated*

*Hey:*

*Not **all***

*Not **all**  
Countries  
Are **big***

So:

*Let's use:*

*For this  
**Occasion***

- Example **simple**

*This **Article:***

***Cross Border**  
Is a*

***Simple Tale***

*And **with:***

*A **Name***

**Cross Border:**

- Can be **simple**

A:

**Simple Tale**  
**Cross Border**

Size:

**Simple**

**Why**

Well:

- **Reason**

Why **make it**:

**Simple Tale**

**Simple Tale**  
**Cross Border**

**Reason is:**

- The **idea**
- **Cross Border**

Doesn't have:

To be **hard**

**Hard is:**

Like **difficult**

The **idea**  
**Cross Border**

Doesn't have:

To be **hard**

*This can still:*

**Be**  
**Cross Border**

**Reason is:**

*Doesn't have*  
*To be **hard***

## **Getting There**

The **Border:**

- **Getting** There

*To **get** there:*

**Arriving**  
*Reaching*  
*Actual*

**Journey:**

*goes **on***

*Sometimes:*

**Border**

*Journey:*

*Proceeding*  
*Like to*  
**Continue**

*Sometimes:*

**Border**

Remember:

- **Cross** Border

*Border:*

**Transfer** place

*Intersection*  
**Junction**  
*Border*

Also:

*Could be*  
**End of Country**  
*Border*

So:

- **Getting** There

## **How To**

We see:

- **Getting** There

*Tale is:*

**Border**

**Get** to border:

- *Could be*
- **End of Country**

*Often:*

**Journey**

*Usually:*

**Continuing**

So:

**Border**

**Transfer** place:

- **Two** sides

***End of Country:***

*Not final*

*Not absolute*

***Continuing:***

*Means*

***More***

***Border***

***Transfer place:***

*Two sides*

***More***

- **Other Country**

*The:*

***Other side***

*Border*

***Transfer place:***

*Two sides*

***More***

*Like:*

**Cross Border**

*How to:*

**Get to  
Border**

This is:

- **Main Point**

*How to:*

**Get to  
Border**

*Border:*

**Reaching**

To:

- **Get to**
- **Then**

**Qualifying**

**Approach:**

*Qualifying*

**Reaching:**

*Border*

We must be:

- **Allowed**

**Access:**

*Available*

**A chance to  
Qualifying  
To approach**

To **get** there:

**Border**

**Purpose:**

- Of course
- **Cross** Border

Journey:

**Continue**

So:

**Cross** Border

How to

**Get** there

**Allowed**

Reaching

**Qualifying**

Arriving

- **Border**

For:

**Cross** Border

**Other** side:

**Next**

Country

To **continue**

**Innocence**

We **need:**

- **This**

**Innocence**

Pg 10

*Can't reach:*

***Border***

*Too complicated*

*No*

Innocence:

- **Required**

***I think:***

***Required***

*Innocence*

*For:*

***Cross Border***

*How to*

***Get there***

***Allowed***

*Reaching*

***Qualifying***

*Arriving*

I think:

- **Required**
- Innocence

***Lacking:***

*Is short*

***Enough is:***

***Enough***

***I think:***

***Required***

*Innocence*

***Cross Border***

Pg 11

*How to:*

*Get there*

*I think:*

**Required**  
*Innocence*

- **Cross Border**

*They say:*

*Ok*

**Reach it**  
*Border*

**Super:**

*Yay*

## **Factors**

These could:

- **Weigh**

**Factors:**

*Example*  
**Time**

**Influences:**

*On us*

**Factors:**

*Like **always***

Whoa:

- How to
- **Know** time

**Influences:**

On us

Like **always**

**Time is:**

A **factor**

Remember:

- **Cross Border**

Could **be:**

At border

**Delay**

Hey it **happens**

Qualifying:

**Good**

Arriving:

**Good**

**Reach it**

Border

**Super:**

Yay

But:

- Oh
- **Factors**

**Time is said**

What if:

**Delay**

Pg 13

**Anytime:**

- Could be
- **Delay**

*Time example:*

*Could factor*

So:

- **Time** also
- With

**Qualifying**

*Reach border:*

*Cross Border*

*Time may factor*

**Time**

Remember:

- Example
- **Time**

**Influences:**

*On us*

*Like always*

*Whoa:*

*How to*  
**Know time**

**Influences:**

*On us*

*Like always*

**Time** is:

- **A factor**

*How to:*

**Know** time

Like **delay**:

**Why**

**Why me**

With time:

- **Delay**

**Cause:**

*Who knows*

**When:**

*Who knows*

Could **happen:**

- **Time** factor

*How to*

**Know** time

**Can** we:

*Maybe no*

**Title**

**Article** is:

- **Cross Border**

**After** to

**Cross Border**

Yay:

**Together** with  
All the **people**

Journey  
**Continue**  
Proceeding

Remember:

- **I think**
- Innocence
- **Required**

**Reach** border  
Qualify  
To **get** there

**I think**  
Innocence  
**Required**

## Summation

So:

- **Cross** Border

**I think**  
Innocence  
**Required**

**Reach** border  
Qualify  
To **get** there

**I think**  
Innocence  
**Required**

**After** cross:

Ok  
**Proceed**

But:

- **Factors**

*Like:*

*What if*

**Some** people:

- **No**

*If they:*

**Don't**

**Cross border**

*Then:*

**A Hold**

*Omg:*

**Terrible**

Well:

- Like
- What if

*What if:*

**A Hold**

*Omg:*

*Like*

*What to*

**Do there**

**Stuck at:**

**Border**

**A Hold**

*What to*

**Do there**

- What to **think**

*How to*  
**Behave**

*Is it ok*  
*Omg*

*And:*

*Remember*  
*Why me*

**Factors:**

- Could **occur**

*If they:*

**Hold** *them*  
*Then where*

**End** *with this*

**ENDING**

Point is:

- **Made**

**Cross** *Border:*

*Not always*  
**Easy**

**I think**  
*Innocence*  
**Required**

- **Cross** *Border*

*And:*

*If a hold*  
*Then*

**Stuck at  
The Border**

**Where:**

- **Holding** place

*Is it like:*

*A cell*

*And:*

**Important**

What **country:**

- **Holding** cell

*Before or  
After*

*A hold is  
A hold*

*Be careful*

*They never:*

**Report**  
*Holding cell*  
**Count**

*And:*

- What **country**
- **Holding** cell

**Between two:**

*Like*  
**What is this**

What **country**  
**Holding cell**

- **Cross Border**
