This is My **Article**:

Focused Continuing

It is A:

Simple Article
About
Getting Our
Tasks Done

When We:

- **Do** Our **Tasks**
- We Want To
- **Get** Them **Done**

We Usually Don't:

Start A Task
That We
Don't Want
To Finish

When We:

Do Our **Tasks**
We Want To
Get Them **Done**

Getting Our:

- **Tasks** Done
- Can
- **Mean** A Lot

Doing Tasks

We All:

- **Do** Tasks

*Every **Day**:*

*We **Do** Tasks*

One Task:

- After **another**

*All **Day**:*

*Getting Our
Tasks Done*

Focus:

- We **know**

*For **us**:*

*We **Need** it*

Hey:

*Not **all** tasks
The **same***

So:

*We must **focus***

*Getting it **right**:*

Focus

*All **Day**:*

*Getting Our
Tasks Done*

A Helper

- **Focus** Plays
- **A Part**

***Us**:*

*Doing **Tasks***

Getting it **right**:

We **want** to

Focus:

Can **help** us

Linking tasks
One to **another**
All **day**

Focus:

Can **help** us

A Helper

More

In This Article:

We Can
Talk About it

A Helper For Us
With Our **Tasks**

There is:

A Helper
For Us

We know:

Focus

Focus:

Can **help** us

Still:

There is **more**

Another Helper

Another Helper:

*For us
During our **day***

*This **one:***

*Is **Additional***

*It's **Based On**
A Single **Term***

*Let's Go **See***

Daily Tasks

Often For Us:

- During Our **Day**
- We **Do** Something

By:

***Do** Something
I Mean
Like*

***Proceeding**
Proceeding Along*

For example:

- Everyday **Tasks**

*We Might **Think Of:***

*Chores and Duties
That We **Do***

***Proceeding**
Proceeding Along*

*Daily **Tasks:***

*Like
Everyday **Tasks***

When We:

- **Do Our Tasks**
- We Want
- To **Finish**

Completing:

Tasks

Is ok

*Getting it **right:***

*We **Focus***

*All **Day:***

*Getting Our
Tasks Done*

*Focus **Helps***

*Focus Plays a
Part For Us*

Doing Our Tasks

Getting it

Feeling **good:**

- **Is ok**

*We **Do:***

*Daily **Tasks***

Functions:

*For **us***

***Proceeding**
*Proceeding Along**

Daily:

Proceeding Along

In:

Proceeding Along

We Find
Continuing

Tasks:

All day
One Step
At A Time

As we:

Go
Daily Tasks

We Find
Continuing

Linking tasks
One to another
All day

We Find
Continuing

This is:

Proceeding
Proceeding Along

We Find:

- **Focus**
- **And Continuing**

Along The Way
In Our Day

*The Idea of
Single-Tasking*

Some **tasks:**

- Big **enough**
- To do **alone**

We Might Want:

Help with **Focus**

Focus helps

For example:

Sometimes

We really want

*To **get it right***

*To **Do it right***

Then:

- **Single-Tasking**
- **Is An Option**

*To **get it right:***

Maybe

*The **Idea** of*

Single-Tasking

Doing:

One Task

At A Time

Single-Tasking

Sort of Like:

Uniquely

Single

Or Alone

*Doing **One Task***

Alone

*By **Itself***

Single-Tasking

Sometimes:

*This can **help***

Avoiding Error

In Most **Tasks**:

- **Error** Could
- **Occur**

*In most **Tasks**:*

*We **pay attention***

The:

- **Order** and **process**
- Of the **task**

Requires

Pay attention

*We **have to**:*

Do it right

For it to

Come out right

*We **Know This***

So:

- To Avoid **Error**
- Focus **Helps**

Error Could:

Occur

*In most **tasks***

*We **pay attention***

The Helper Idea

I Said About:

- An **Idea**
- To **Help Us**

*A **Helper For Us***

*With Our **Tasks:***

A Helper

Based On:

A Single Term
