Our Story

Related to:

- Sisyphus
- **Our** story

We started with:

Our story

Let's go

As example:

- **A Common**
- Story
- **Us**

When I was:

Young

Many men

Did

Similar thing

Description is:

- Get **up**
- Each **day**
- And then
- Go to **work**

This was at:

A job

They had

A job

Many **men**:

- **Job**

One company:

Or another

They had

A job

Then:

- **At night**

They would:

Come home

After work:

Come home

From work

I saw this:

When I was

Young

Our story

Main Idea

In **this** story:

- **Common** story

The idea was:

Simple

get up

each day

go to work

and then

after work

come home

It:

- **This**

Was called
Work cycle

Their work cycle

Daily routine:

- **Work**
- Work cycle

Linear:

- Like 123
- **Work** cycle

Daily routine:

Work
Work cycle

get up
each day
go to work

and then
after work
come home

Their work cycle

This was:

- Almost **like**

Could last
Forever

Or:

Never would
Break

Maybe flawless

Daily routine:

- **Work**
- Work cycle

So:

*Seemed **certain***

Like:

Could
***Count** on it*

Point

These **guys**:

- I **saw**

*What they **did**:*

Daily
***Work** cycle*

Did they **think**:

- This was
- **Everything**

***All** that there:*

Is

Daily
***Work** cycle*

- Not **more**

***In** life:*

Only
Daily
***Work** cycle*

Omg

And:

- For **forever**

Like Myth:

Sisyphus

Did they **think:**

- **Locked**

*To do a
Task*

*That could
Never be
Completed*

Omg:

I hope no

Daily Cycle

Sisyphus **Myth:**

- We saw

His fate:

From gods

Locked:

*To do a
Task*

*That could
Never be
Completed*

Sisyphus Myth

His **cycle:**

- The **same**

*get **up***
each day
*go to **work***

and then
***after** work*
*come **home***

Same day:

Work all day

Same cycle:

Too

Work all day

When I was:

- **Young**

Many men:

Same cycle

*get **up***
each day
*go to **work***

and then
***after** work*
*come **home***

It was:

The same

Like:

- Sisyphus
- Sisyphus **Myth**
- **The same**

Come on:

People would
***Talk** this way*

Look:

I remember

Hearing it
To **hear** it

I remember:

Daily Cycle
Work

Similar

These **men:**

- **Here**
- When I was
- **Young**

*Did they **think:***

Same
Like Sisyphus

Similar:

Locked

To do a
Task

That could
Never be
Completed

Whoa

If:

- They
- **Thought** this

Daily
Work cycle

As:

*All that there
Is in **life***

Or:

- All that **it** is
- **Life**

Then:

*Did they
Know the myth
Sisyphus **Myth***

Locked:

*To do a
Task*

**That could
Never be
Completed**

Did they **think:**

- **Life** was
- Sisyphian

Doomed
*Fate
Redundant*

*Over and **over:***

Redundant

*123 horror
Linear
Hopeless*

Did they **think:**

- No choice
- **Fate**

Sisyphean:

*Roll a **rock**
Up a **hill**
Then
Back **down***

*And **then:***

*Redundant
Repeat it*

Sisyphean:

- Roll a **rock**
- Up a **hill**

*Then
Back **down***

Like:

***put it up**
see it there
then
take it **down***

*Redundant **only***

Point

Well:

- How to **grow**
- On **this**

Remember:

***Article is**
I Grow Up*

About:

***Development**
Or Outlook*

Many **men**:

- When I was
- **Young**

*Same **thing**:*

*Daily
Work cycle*

Did they **think**:

- **All** that
- There **is**

*Daily
Work cycle*

Like:

***put** it up
see it there
then
take it **down***

*Never **more**:*

Sad

Ponder

This **theme**:

- **Redundant**
- Never **changing**
- Sisyphean

***Ponder**:*

*If this
Was **true**
Then*

*What **keeps** us
Coming **back***

*Let us **pray***

Also:

- This **idea**

Redundant
*Never **changing***
Sisyphean

What are:

*The **chances***

*With **this**:*

Remember

Development
Or Outlook

Of this:

- The **view**

Like a:

*Glass of **water***
*At **half** volume*

*Half **empty***
Or
*Half **full***

- **Outlook** matters
