This is My **Article**:

- Assignment

*It is **About**:*

*An Old **Phrase***

*This **line**:*

*Old **Phrase**
Shares an
Idea*

*An **Idea**:*

*That may
Come up
Generally*

See it:

- In A **Story**

Intro

Setting for:

- Old **Phrase**
- Is **general**

*A **Story***

Commonly:

*People
Do stuff*

*And **sometimes**:*

*We **see** it*

People
Do stuff

So **in** this:

- We can **see**

A common
Example

Like when:

People
Do stuff

Together

People may:

- **Gather**

Sometimes:

They are
Together

So **here:**

- People
- Are **together**

Associated:

Like in
Conversation

Gathered

A Story

Well:

- People **gathered**

Together

Pg 2

Then:

*While **together***

- One guy
- **Fucks up**

*A **mistake:***

Like

Blunders

So:

- **Doing** this
- He
- Incurs **danger**

*And **this:***

*By **choice***

So he:

Enters it

*By **himself***

*A **mistake:***

Like

Blunders

*We have **seen:***

*This **happen***

Going On

Well:

- **Guy**
- Makes **mistake**

Like

Blunders

So **then:**

- He feels
- **Distressed**

Blunders so:

Feels

Distressed

So **him:**

Being

Felling

Distressed

He **calls** on:

- **Me**

This is like:

A **help** cry

From **him:**

Distressed

So

A **help** cry

Btw:

- I don't **like**
- **Thing** like **that**

His mistake is:

His Mistake

That's him

My Part

Well:

- He **fucks** up

Like
Blunders

So *he*:

Calls on
Me

Like:

A **help** cry

And *from*:

Him
Distressed

So **me**:

- **Seeing** this

I say **no**

His **mistake**:

Is **his**
Mistake

That's **him**

So then:

- **Him**

He gets:

Abrupt

He *like*:

- **Insists**

Insists on:

The **same**

He:

Calls on
Me

A help cry

- **Again**

Second Time

And from:

Him
Distressed

He:

Calls on
Me

To
Help him

Help him:

- Like
- **Bail** him out

Wtf:

I don't like
Thing like that

Point

This:

- This **situation**

It arrives at:

An Old Phrase

Remember:

- He **fucks** up

Like
Blunders

So he:

- **Calls** on
- Me

Like:

A **help** cry

Well:

- Old **Phrase**
- Is

You are your
Brothers **keeper**

And **this:**

- **Idea**

Old Phrase

I think is:

Christian idea

Me:

Btw
Not *Christian*

And also:

- **Me**

I don't like
Thing *like that*

So I:

Say **no**

*His **mistake:***

*Is **his**
Mistake*

*That's **him***

About Me

Me:

- Not only
- **Not** Christian

But:

*I spent
Forty years*

In
*Mental health
System*

So then:

- **A point**

*Like **this:***

*Me
Background*

In
*Mental health
System*

I am:

- **Assigned**

*Don't **enter***

***Assigned** like:*

*Whoa
In the **blood**
Pg 8*

This **means:**

- **Like**

Don't

Do here

Don't **do:**

- Like
- **Mainstream**

This is:

Forty years

Day by day

Over and over

Assigned:

Don't

Do here

Don't **do:**

Like

Mainstream

So:

- Like **this**

Me:

How can I

Be **called** on

For **this**

A **help** cry

Old **phrase:**

You are your

Brothers **keeper**

- Go **figure**

Pg 9

ENDING

Well:

- We **see**

Guy:

Fucks up

*We **see** it*

A mistake:

- Like
- **Blunders**

Hey:

***Your** problem*

Is

***Your** problem*

Wtf:

*Leave **me***

***Out** of it*

Don't call:

- On **me**

*For **this***

It is like:

***Error** error*

***Forget** it:*

*Not **attractive***

*Zero **allure***

Don't assign:

- To **me**

*Your **bad***

*Go **figure:***

***Your** problem*

Is

***Your** problem*

I am **trained:**

- For **other**

So this:

Assignment

*His **bad***

*I think **no***

*Not **me:***

No

***Article** is:*

Assignment
