Story

Liberty Base:

- **Article**

Story here

Hey:

*We might have
Seen one*

One like this

Start with:

- **A guy**

This guy:

*He
Lives life*

On and on:

*All day
Everyday
Guy*

During:

*This time
Lives life*

- He pays
- **Attention**

Details:

*Like
Facts and scenes*

He sees these:

Details
Along the way

Facts and scenes

This is:

You know

Like

*As it **plays** out*

Lives life

Details

On and on

*He **pays** attention*

Facts **gather:**

- His **collection**

Details:

Facts and scenes

Accumulated

Maybe:

Experience

*He **pays** attention*

After Time

This:

- **Living** life
- On and on
- **Guy**

Well:

After Time

Details

Accumulate

Facts and scenes

Pg 6

Accumulated:

- His **data**

Well:

This
After **Time**

He **sees** that:

- He **developed**

Gathered facts:

Scenes
Data
Accumulated

So it **makes:**

- **Something**

He **sees** it:

His **something**

A body:

Of **things**

Gathered facts:

Scenes
Data
Accumulated

- **Something**

From:

Along the way
His **something**

This is like:

A **List**
His **something**

Making it

Seeing this:

- His
- **Along** the way

Gathered facts:

Scenes

Data

Accumulated

It **dawns** on him

What he:

- **Sees**

It is:

*Not **good***

Many people:

Suffering

Joking

Playing

Fooling around

What he:

Sees

It is:

*Not **good***

He might be:

- **Making** it

But that is:

*Not **all***

Pg 8

What he:

- **Sees**

It is:

*Not **good***

He **concludes:**

- It is
- **Not good**

Even:

Where *he is*

It is

*Not **good***

*He **concludes:***

It is

*Not **good***

So Then

Guy:

- **Not pleased**

*Where he **is:***

*What he **sees***

It is

*Not **good***

So then:

- **Decides**

*Guy **decides***

Staying:

*Where he **is***

Seeing:

What he **sees**

It is

Not **good**

The not good:

- This **stuff**

The not good

So **bad:**

He **decides**

To **determine**

He **determines:**

- Best
- To **act**

He would **act**

Decision then:

- To **act**

Form is:

Go **forward**

He **decides:**

To **go** forward

Guy **decides**

Staying:

Where he **is**

Seeing:

What he **sees**

It is
*Not **good***

The not good:

- This **stuff**

So:

*He **decides***
*To go **forward***

On

Content

This **decision**:

- Go **forward**

Content:

Made of

Go forward:

His
*Along the **way***

Gathered facts:

Scenes

Data

Accumulated

*He **decides***:

*To **go forward***

The Others

Well:

- He is not
- **Alone**

*People **know him***

He knows people

The **Others**:

- What about
- **Them**

Guy:

Going forward

He has:

His
Along the way

Gathered facts:

Scenes
Data
Accumulated

He has:

His outlook

He **wants** it:

- His **outlook**

He wants to:

Bring it
With him

His outlook

Gathered facts:

Scenes
Data
Accumulated

Yet:

- The **Others**

Did they:

Connect

Guy and:

*The **Others***

Did they:

- **Connect**

*What he **saw**:*

It was

*Not **good***

So he:

- Goes **forward**

With *him:*

He has

*His **outlook***

*He **wants** it:*

*His **outlook***

*He **wants** to:*

Bring *it*

With *him*

*His **outlook***

*Going **forward***

Point

*So **guy**:*

- Goes **forward**

Moving *on*

Pg 13

Him:

Living life
Day by day
Everyday

Moving on:

Like before

But **this:**

- Going **forward**
- It **bugs** him

Figure it out:

He can't
Figure it out

It **bugs** him:

- **Why**

Well:

*He has **determined***
*Go **forward***

The Others:

In
Not good

So he:

Goes forward

He **determined:**

- **Go forward**

And:

*His **outlook***

He wants to:

Bring it
With him

His outlook

But the **others:**

- WTF

He can't
Figure it out

He **thinks:**

- **Maybe**
- The Others

They will:

Come along
After

Like catch up

Are **they:**

Awake

Do they:

Pay attention

He **thinks of:**

- Wonders **about**
- **Them**

The Others

Maybe:

They will
Come along
After

Like catch up

But a:

- **Crucial** thing

*The **Point***

Are they:

Awake

Do they:

Pay attention

The **word:**

- **And**

Omg

Summation

Guy:

- Goes **forward**

*And **why***

Before:

- It was
- Not **good**

The **Others:**

In

Not **good**

A:

- **Crucial** thing

*The **word:***

And

Pg 16

Are they:

Awake

Do they:

Pay attention

The **word:**

- **And**

Omg

These **people:**

- Are they
- **Awake**

We have seen:

Just One D

Single dimension:

Only

Just One D

So:

- **Them**

In:

Not good

A:

Crucial thing

Are they:

Awake

Do they:

Pay attention

Pg 17

The word:

- **And**

Is it **only**:

One D
Them

Single dimension

Only **this**

Then:

- What **about**

The word
And

We **need** it:

- **And**

The **Others**:

How will they
Catch up

Guy cannot:

Go back

Time is time:

No going **back**

And:

Without
The **word**
And

Only **alone**

Sad

ENDING

Tough stuff:

- **Guy** here

Good to:

Go forward

He has his:

Outlook

But:

- The word
- **And**

Hey:

We need it
And

Without:

The word
And

Only alone

Why no **and**:

- Here

*Guy is **guy***
*Others is **others***

Why no **and**:

Jeez

Was he:

- Afraid to
- **Put** it

*Them **too**:*

Maybe

Afraid to

Put it

And

Why it:

- No **occur**
- **And**

*His **Liberty**:*

Choice

*He **goes** forward*

Liberty

Will the **past**:

- **Catch up**

Discarded:

Catch up

Abandoned:

Catch up

The word:

- **And**

*We **need** it*

He has:

*His **outlook***

*Is it **enough***

*Let us **pray**:*

For them

It seems:

- They don't
- **Have**
- One **thing**
