Some are:

Pg 3

*His job:*

*Neighborhood*

*Nearby his home*

Some **customers:**

- He **knows**

*Even for:*

*A **long** time*

*Like **him:***

***Regular** guy*

Some *customers:*

*Also **regular***

Some he **knows:**

- A **long** time

*His job:*

*Neighborhood*

*Nearby his home*

Some *customers:*

*He **knows***

**Deliveries**

**Orders:**

- From customers

***Hey:***

*Some like*

***Delivery***

**Phone call:**

- Bring it **now**

**Boy delivers:**

*Our guy*

**Pharmacy job:**

*A long time*

**Some customers:**

*He knows*

**Delivery type:**

- **Simple**

**Example is:**

*Magazines*

**Perfumes**

*Or drugs*

**Pharmacy job:**

*Our guy*

**Delivery boy:**

**Phone call**

*Bring it now*

**Boy delivers:**

*Our guy*

*Yep*

**Story**

- So it **begins**

Pg 5

On that **day**:

Yep

**Hey**:

We **knew**

It would **happen**

**Main** word is:

- **Complaints**

Don't **worry**:

Our **guy**

**Good** **guy**:

**Regular**

But:

- **Whoa**

Like:

**These** **times**

Have you  
**Seen** **them**

Omg:

**These** **times**

Whoa

Unfortunately:

- **A story**

Complaints:

**Force**

**A story**

**Simple** guy:

- On the **spot**

*It begins:*

*On that **day***

**That Day**

It was:

- More or less

**Regular** day

*This is like:*

*Usual*

*Same **job***

*Same **guy***

*Same deliveries*

*Like:*

*Magazines*

**Perfumes**

*Or drugs*

**Deliveries**

**Boy** delivers:

**Pharmacy** job

*A **long** time*

Well:

- **That** day

*It **got** to him:*

**Complaints**

Pg 7

*I guess it is:*

**Called**

**One** too many

On **that** day:

- **Complaints**

**Got** to him

*Like:*

**One** too many

*Too many:*

**Complaints**

And **this** was:

**Not** his fault

Our guy:

- **Good** guy

*Regular* guy

So:

- Wtf

**Why** complaints

We would **wonder:**

**Why** complaints

**Complaints**

**Type** matters:

- **Complaints**

**Work** was ok

*Our guy:*

*Ok*

*So:*

- **Why** complaints

*Why they:*

**Complain**

*Customers*

Complaints:

- **Type** matters

*Three types:*

*Delivery was*  
**Late**

*Or:*

**Wrong** stuff

*Or:*

*Just ragging*

This:

- **Ragging**

*Is like:*

**Bitching**

*Or moaning*

*I mean:*

*Not really*

**Work** related

Pg 9

If **true**:

- This

Then **guy** is:

**Victim**

**Complaints:**

- Not
- **Work** related

He has a:

**Hard** time with

**Yet:**

Occur

These customers:

- **Complain**

And **now**:

In **story**

**One** too many

**Complaints:**

- Too **many**

**Force** story

With:

Our **guy**

**Victim**

Look

## **Sour Stuff**

These complaints:

- **Weird** ones

*Our guy is:*

**Victim**

*This means:*

**When they  
Complain**

*And it is:*

**Not  
Work related**

Guy has to:

- **Listen**

*Instead of:*

**Quick delivery**

*Guy has to:*

**Listen**

- **Bad** complaints

*Not:*

**Work related**

*Often:*

**Weird stuff**

*Like moaning*

**Point**

- **Complaint** story

Story **shows:**

*Complaints*

Too **many:**

- No **reason**

*Complaints*

So guy **sees:**

- Not **happy**

**Customers:**

*Not happy*

*Too many:*

**Complaints**

*For no reason*

**Complaints:**

*Often*

**Weird stuff:**

*Like moaning*

So **guy** is:

- **Sad**

**Point** is:

*Guy is sad*

**Reflecting**

Guy **thinks:**

- **Wtf**

*Afterall:*

*He **did***

*Nothing **wrong***

*So:*

***Why** complaints*

Biggest **concern:**

- **Wrong** complaints

*Not:*

***Work** related*

*Weird stuff:*

*Like **moaning***

*Complaints*

So guy:

- **Reflects**

**Him There**

Reflecting:

- Guy **thinks**

*He is:*

***Regular** guy*

*He does ok:*

*He **works***

*He **knows:***

***Setting***

Pg 13

*Neighborhood:*

***Nearby***

***His home***

Guy is:

- **Living** life

*Him:*

***Going on***

*Continue:*

***Day to day***

*Ok*

He has:

- **Plans**

*Has:*

*Hopes*

***A future:***

*With*

***Wishes***

*Dreams*

***A regular guy:***

***Guy***

He **works:**

- **Delivery** boy

*Ok*

And what:

- He **sees**

*Like:*

**Customers**

*Whoa:*

*The stuff*

*They say*

*He listens*

**Details**

*Guy*

**Details:**

**Main word:**

*Pessimism*

*Sceptical:*

**Dark**

**Poor** outlook:

- **Customers**

*Like in:*

**Decay**

Guy is:

- **Sad**

*Yet too:*

**Upset**

*Hey:*

*Wouldn't*

**You be**

*Guy works:*

*So*

*No **problem***

*Complaints:*

*Not*

**work** related

**Content** is:

- **Poor** stuff

**Details:**

*Of complaints*

*Like:*

**Pessimism**

*Sceptical:*

*Dark*

Poor **outlook:**

- **Dismal** outlook

*Customers:*

*Like him*

*Before*

*But **gone** bad*

*Now:*

- **Complaints**

***Dismal** stuff:*

*Like **decay***

*Guy wonders:*

**Why**

***Why** they:*

***Rag** on him*

*Jeez*

**Summation**

Guy **got** to:

- **Here**

*Maybe **more:***

*Later*

***Hope** for guy*

He is **sad:**

- **Seeing** this

***Complaints***

**Sour** stuff:

- Guy **reflects**

*He **sees:***

*Their **outlook***

*Customers:*

*Like **fallen***

*Like:*

***Down** trodden*

**Chosen** sour:

- No **good**

*And **guy:***

*Has to **listen***

*He is **good:***

***Not** bad*

**What** they:

- **Doing**

***Sour** ones*

And **why**:

- Complaints

**Seeing:**

So much **bad**

Guy **reflects**:

An **old** story

## **Old Story**

**Title is:**

- **Sisyphus**

An ancient:

**Greek**

**Good man:**

Sent **down**

Story **says**:

- He did **bad**

So he **got**:

A **fate**

Form =

A **job**

**Task to do:**

- For some **time**

Maybe **long time**

**Job =**

- **Up** and down

**Push** a rock  
**Up** a hill  
Then let it  
**Go** back down

**Over** and over:

The **same**

**Push** a rock  
**Up** a hill  
Then let it  
**Go** back down

No way **out**:

- **Over** and over

The **same**:

This **task**

So guy:

- **Thinks** of this

Customers:

**Complain**

Did **they**:

- **Make** this

Is **this**:

**Them** too

**Push** a rock  
**Up** a hill  
Then let it  
**Go** back down

**Over** and over:

The **same**

No **hope**:

- **Over** and over

*The same*

**Up** then down:

Only **this**

Guy **thinks of**:

*This*

And **wonders**:

- **Why**

*Do they:*

**Choose this**

**Make this:**

*For them*

*Like:*

No **hope**

Guy has:

- **Hopes**
- Dreams
- Plans

*This won't do:*

*No*

*Too much:*

**Sour**

*And guy:*

**Seeing this**

Pg 21

He **wonders**:

- Has it **always**
- **Been** this way

*Is this **all**:*

*There is*

Guy **finishes**:

- Like **this**

*Stay **straight**:*

*Polite*

**Avoid** *complaints*:

*Yay* *guy*
