This is **Article:**

- Getting By

It is **About:**

Making it

Making it:

- Is **Topic**

Title is:

Getting By

So:

- If **About**
- **Making it**

Then:

Making it

To

Getting By

Title is:

Getting By

Look

Metric

To **start:**

- A **piece**

Piece for **seeing**

Pg 1

With **this**:

Metric

A **piece**:

Piece for **seeing**

Then:

- **Picture**

With metric:

I **setup**

Picture

Picture:

- For **seeing**

Topic is:

Making it

And remember:

With Picture

Substance

So:

- **Topic** is
- **Making** it

And:

We have

Metric

Metric is:

- **Picture**

Pg 2

Picture **needs**:

Substance

Like:

- **Hey**

What **kind** of
Picture

Sure ok

Then:

- Picture
- **Substance**

For **Substance**:

Let's see
Example

Example of:

Picture
Substance

The **Metric**

Idea

A **Guy**:

- Has **idea**

And remember:

Picture

This **idea**:

- Guy **has**

Pg 3

Either he:

Has it
Or **gets it**

So:

Guy has **idea**

Cool:

- **Substance**

Substance of
Picture

With **this:**

- We can
- **See it**

Topic is:

Making it

Example is:

Picture

Substance is:

- **Idea**

Guy has **idea**

Cool:

Substance

Substance of:

- **Picture**

Picture for
Seeing it

By example:

Picture

Like:

Guy has **idea**

Picture:

Guy has **idea**

On

Affect

This **idea**:

- Guy **has**

Either he:

Has it
Or **gets** it

Look:

Guy has **idea**

And not just:

- **Any** idea

This **idea**:

Guy **has**
Can **affect**

Affect:

All **things**

Idea of guy:

Entire

Entire can:

- **Affect**
- All things

Whoa:

Strong idea

Let's go

Two Things

First:

- **Two** things

Remember:

Guy has **idea**

And if:

Idea can

Affect

All things

Then:

- **Two** things

First thing:

- Is this idea
- **Real**

I mean:

Whoa

Probably

Hard to **get**

Entire idea

Idea that can:

- **Affect**
- All things

So:

Is this idea
Real

Good **question**

Second thing:

- This
- **Second** thing

Is like **me**

I think:

- **Wow**

Idea that can:

- **Affect**
- All things

Like:

How did he
Get it

Idea like that:

Entire idea

Good **question:**

- This
- **Second** thing

How did he
Get it
Pg 7

Idea like that

Oh

Story

To **help**:

- A **Story**

Story to help:

See

Topic is:

- **Making** it

Title is:

Getting By

So:

- A **Story**

To help

See

See picture:

Of

Making it

Long Time

Story:

- Is

For years:

It could

Happen

Pg 8

Picture:

- I would

**Talk with a
Group**

Like:

People **together**

And it could:

Be **collective**

Collective:

Like

People **together**
Over **time**

Could be:

- **Long Time**

Example:

With

House mates

Or

Co-workers

People **together:**

- **Over time**

And **speaking:**

Together

Like **gathered**

This is:

- **Setting**

Setting:

Speaking
With **people**

People **together:**

Over **time**

Topic

Remember:

- **Topic**

Topic is
Making it

So **me:**

- Speaking
- With **people**

Together
Over **time**

Could be:

- **Long Time**

Then I was:

Making it

This:

- **Making it**

Like
Continue discuss
Pg 10

And:

Over **time**

So:

Making it

Me:

- With **people**

Together

Over **time**

Making it:

- Continuing

Example is:

Continue discuss

And over **time**

Making it:

- **Continuing**

And I **did:**

Continue

Abstract

Well:

- It wasn't
- **Perfect**

I mean:

Hey

Like **sometimes**

Pg 11

With **me**:

- **Continue** discuss
- And over **time**

Someone would:

Attack me

- Yes it's **true**

Sometimes:

Like **this**

Continue discuss
And over **time**

Continuing

Someone would:

- **Attack** me

So if **you**:

Wonder **why**

Then:

- **Hey**

Over **time**
Much **time**

I **figured** it
Out

So **then** comes:

- **Point**

Don't **miss** this

Pg 12

Point

Point can:

- **Help**

Help to:

See

Also **help** to:

Sum it up

Remember:

- **I figured it**
- **Out**

Why they:

Attack me

Spell it

Well:

- **If I was**

With **people**

Together

Over **time**

Making it

Continuing

Like:

- **Continue** discuss
- And over **time**

Then **doing** ok

Sometimes:

Someone **thought**:

- That I was
- **Trying**

Trying to:

Make them

Look **bad**

Jeez:

Like

How **weird**

Yes:

- **Like**

How could they

Think that

But since I:

- **Remember**

Figured it

Out

Like:

Why they

Attack me

Then **reason**

Reason was:

- They **thought**

That I was

Trying

Pg 14

Trying to:

Make them
Look **bad**

So:

- **Knowing** is
- **Better**

I mean:

At least I
Could **see**

- The **reason**

Cool

Summation

Ending is:

- **Near**

I saw:

Person **thought**

That I was
Trying

Trying to:

Make them
Look **bad**

Then:

- **Knowing** is
- **Better**

You **see:**

I was **simple**

Remember:

- **Me**

I would:

Talk with a
Group

Like:

People **together**
Over **time**

Example:

- **House mates**
- Or Co-workers

People **together**
Over **time**

And **speaking**:

Together
Like **gathered**

Then I was:

- **Maxed**

All I could:

Do was

Speaking together

With **people**
Over **time**

And so:

- **Continuing**
- Was **everything**

Pg 16

Making it:

Was **everything**

So I was:

- **Maxed**

All I could:

Do

Making it:

Ok

Good

So they were:

- **Wrong**

I didn't

Hurt them

No:

I was **maxed**

Poem

Ending Poem:

- Here

Sometimes **me:**

Making it

And:

- **Continuing**

Whoopey:

Not so **easy**

With **people:**

Over **time**
Making it

Good

I was **maxed:**

- So no **extra**

Me:

With no **extra**

Then I **told:**

- **Them**

Attacker

Me = No:

- Level **two**

I was **maxed:**

Doing it

Just
Making it

So:

Me = No
Level **two**

Then **how:**

Could **I**

- **Affect** their
- Level **one**

I was **maxed**

Just:

- **Making it**
- Me

So **how:**

Could I

Affect their
Level **one**

So then:

- **Poem**

Poem **says:**

- **Hey**

Is Level **one**

All that
There is

Jeez:

Only level **one**

Pray for us
