

## Made Stuff

Author: Thomas Lloyd

This is My **Article**:

- Made Stuff

*It is **About**:*

**Stuff**

*This **word**:*

*Stuff*

*We **know***

*We **know**:*

**Stuff**

*As a **word***

Main thing:

- That
- Comes to **mind**

*Stuff is:*

**Objects**

*Like:*

*In the **world***

*Stuff:*

*Like*

*Things we **see***

*Stuff*

*On >>*

*Pg 1*

## **Why**

Sure:

- A **good** point

*Like:*

## **Why**

*For example:*

*Why*

**Mention** stuff

*Or also:*

**Why**

*Is* **stuff** there

*Ok:*

*These are*

**Valid** points

**Here:**

- Like

*Why*

**Mention** stuff

*Is because:*

**Title**

*Title is:*

**Made** Stuff

*So:*

- Stuff we **see**
- Is the **point**

Stuff:

*In the world*  
*We see*

*And mostly:*

Stuff  
*In the world*  
is

- **Made** Stuff

**Title** is:

*Made* Stuff

**About**

So:

- **Made** Stuff

*We have:*

Stuff  
*In the world*

*Made* Stuff

Ok:

*Easy to get*

Ok:

Stuff  
*In the world*

*Made* Stuff

**Many** things:

- **Of** this

Are:

**Man** made

Man made:

**Things**

We **know**

These **things**:

- Man made
- **Things**

Are:

Stuff

In the **world**

Ok:

We **see** this

And:

**Title** is

**Made** Stuff

**Of** the:

- **World** things

Like:

Stuff we **see**

**Man** made

Things:

**Also**

Stuff

In the **world**

Man made

**Things:**

- Are **of**

*Made Stuff*

*Stuff*

*In the world*

**Solid**

What about:

- **Solid**

*These things:*

*Man made*

*Things*

*Usually solid*

Best **word:**

- For **describe**

**Object**

*Man made*

**Things:**

*Usually objects*

*Example:*

*A glass*

*A book*

*A hat*

**Shoe too:**

**Man made**

**Things**

We **know** these

Pg 5

Well:

- **Solid**

We **think on**:

**Solid**

Not everything:

- **Solid**

*For example:*

*Plan*

*Idea*

*Offer*

We **know these**

*Not everything:*

**Solid**

So:

- We see

*Not everything*

*Solid*

*Then point*

**Point**

If:

- **Man** made
- Things

*Are in:*

*The world*

*And:*

*Not all solid*

Not **everything**  
Solid

Then:

- The **world**
- Is **full**

This here:

**Full**

**Means:**

**Many things**  
In the **world**

Many **things:**

**Stuff**  
In the **world**

Ok:

So **full**

And:

- **Remember**

If not **solid:**

Not **all** solid  
Like **object**

Then:

World is **full**

But:

- Not **all** are
- **Objects**

Remember:

**Man** made  
Pg 7

*Like:*

*Plan*

*Idea*

*Offer*

Then:

- Not all **solid**
- Like **object**

***Point*** is:

*World has*

***Things***

*But:*

*Not all **solid***

*Ok*

**Side**

If:

- Man made
- **Objects**

*Are **around***

*Then:*

*We **see** things*

Things like:

- **Claim**

*For example:*

*I **made** that*

*Or:*

*Leave my*

***Thing*** alone

We see:

- **Claims**

**Related to:**

*Man made  
Things*

**Claims**

Well:

- **This** can be
- Ok

*This is:*

**Side**

*Specifically:*

**Side note**

Quickly:

- **With** claims

*We see:*

*Like*

**Ownership**

So **think** of:

- **Responsibility**

*We know this*

*We must:*

**Maintain**  
*Our stuff*

*Like:*

*Stuff of us*

*This is:*

***Responsibility***

**Our** stuff:

- In the **world**

*If it is:*

**Ours**

*Then we must:*

***Maintain it***

*This goes with:*

***Ownership***

We know:

- **Responsibility**

*It:*

***Goes with***  
***Ownership***

***I think we:***

***Know this***

*Ok:*

***Side note***

**Big**

Well:

- **Reason** for
- **Article**

***Article is:***

***Made Stuff***

**Reason for**  
**Article:**

**Big**

*Afterall:*

**Some things**  
**In the world**

**Big**

*Even:*

**Man made**  
**Things**

**Big:**

- **Some things**
- **Big**

*Example:*

*Building*  
*Airplane*  
*Farm*

**Some:**

*Man made*  
**Things**

**Big**

*Ok*

**What is:**

- **Biggest**

*Oooh*

# Creation

Universe:

- We know

*Hey:*

*We know it*

***Somewhere***

*Out there:*

***Universe***

*And:*

*We know it*

So quickly:

- **Gosh**

*Who made it*

Damn:

- We know

*It is:*

***Out there***

***Universe***

Simple **term:**

- **Creation**

***Universe is:***

***Creation***

*Ok*

Then with:

- **This**

*We can **leave***

*Quick **summation***

## **Summation**

Continuing:

- **Universe**

*Is our:*

**Creation**

*Ok*

*And **not:***

**Man made**

*No*

We **know:**

- It is **there**

**Creation**

*And:*

*Among*

**Made Things**

Well:

- **Reason** for
- **Article**

**Humorous**

**Spoken is:**

- If **Creator**
- **Made** Universe

*Then:*

*It is **his***

*He is:*

***Responsible***

*Creator*

This is like:

- **Claims**

*Remember:*

***Ownership***

***Claims on:***

***Ownership***

*Hey, also:*

*Some things*  
*Are **big***

Well:

- **Leaving is**
- **Said**

***Put is:***

***If Creator***  
***Made Universe***

*Then:*

*He is*  
***Responsible***

***So I think:***

***Humorous***

This is:

- **So big**

*That I:*

*Had to  
Tell you*

*Then let's pray*

## **Prayer**

*Creator please*

*Don't stray*

*Don't stray:*

*On us*

*We hope you:*

*Don't  
Lose interest*

*In creation*

*Creator please*

## **ENDING**

*Article is:*
