This is **Article:**

- Drop off

It is **About:**

Education

This **Term:**

- Education

Has **specific**

Specific is:

- **Here**

USA

And we **know:**

Also

Term:

- Education

Has **cost**

Cost of **this:**

Education

- Is **time**

Time **spent:**

On **education**

We **know**

Location

Already said:

- **Location**

Topic is:

Education

Already **said**:

This **Term**

Education

Has **specific**

Specific is:

Here

USA

So:

- **Location**

Is USA

And **topic**:

Education

Cost

Whoa:

- Like

Have you **seen**:

The **prices**

Man:

It **seems**

Pg 2

The **prices**
Go **up**

Yep:

- Whoa

The **prices**

And **about:**

Cost

Remember:

Topic is
Education

And even:

- **Education**

Has **cost**

So:

- Quickly

Main cost

- Education

Is:

- Dollar

USA Dollar:

Currency

So with:

Topic
Education

And **specific:**

Here USA

Then even:

- Education

Has **cost**

USA **currency:**

- Dollar

USD:

USA **dollar**

USA **currency:**

- USD

And even:

Education

Has **cost**

Besides **time:**

- Like

Time **spent**

Education:

Has **cost**

- Currency

USA **currency:**

USD

Story

Thinking of:

- **Today**

Pg 4

Remember:

Here

Topic

Education

And **specific:**

USA

Location

Then **story:**

- **Here** USA

Today:

- **Time**

Like:

Current

Or:

These days

Here:

Location

USA

Topic is:

- Education

Note:

- This **idea**

Time

Like **current:**

Called today

Pg 5

This **idea**:

- Could be

General

General **time**:

- Like

Over time

Or:

Accumulated

Like:

- For
- **Some** time

This term:

- **Today**

Time:

Here USA

Today

Could be:

General

Like:

For

Some time

So **today**:

- Here

And **with**:

Topic

Education

Pg 6

Then **story**:

- **Education**
- And USA

Describe

Seeing **this**:

- USA

Today

Here:

- We **see**

People

And we **know**:

People

People **went**
To **school**

This **fits**:

- With

Topic

Education

In USA:

- People **went**
- To school

This =

Education

People **went**
To school

So **with** this:

- Education

Like:

Being there

Education:

- Being there
- Was

Earned

- Or **built**

So education:

Is supposed to
Be **there**

Like **present:**

- Current

We **know:**

This **education**

Is supposed
To be **there**

Because of:

The **school**
Part

Remember:

- People **went**
- To school

So:

Result

Education

Ok

Also:

Education

Has **cost**

Besides **time**:

Like

Time **spent**

Education:

- Has **cost**

Currency

USA **currency**:

USD

Education:

- **Earned**
- Or built

So education:

Is supposed

To be **there**

Education:

Over **time**

Earned

Or built

It is:

Is supposed

To be **there**

Time = now:

Current

And **currency:**

USD also

Education **cost**

Here:

Location USA

Oooh

Point

Sure:

- Like

Why all the
Trouble

Or:

- Why

Bother us

About:

Education

Well **since:**

- Education

Over **time:**

Earned

Or built

Is supposed

To be **there**

And USD:

Currency

Pg 10

Is **around**:

- Also

Too

- Then **story**

Remember **story**:

Here USA

Well I:

Have **heard**

People **saying**:

They are **told**

Hey:

Some have
Confessed

They are:

- **Instructed**

Like:

Told by
Staff

Example:

- **Name**
- Clinton

Gets **mentioned**

People **say**:

Instructed
Or **told**

By **staff**
Pg 11

Drop off:

- Education

Whoa:

Story

Whoa please:

Tell us more

Ok:

- **Term**

Drop off

Title is:

Drop off

Drop off:

- Education

People say:

Told by
Staff

This:

- Whoa

Hey:

Some have
Confessed

So **point:**

- Here USA

People **say:**

They are **told**
By staff

Drop off:

Education

Time is:

- Current

Like:

These days

Here USA:

- Location

Time:

Even

General time

Like:

Over time

Or

For

Some time

Told:

- By staff

Drop off:

Education

- **Here** USA

Point

Value

For a:

- **Minute**

Pg 13

Reflect

Remember:

- **Topic**
- Education

This **term**:

Education

Made by:

Being there

Education:

Earned

Or built

Education:

- Achieved

Earned

Or built

And by **us**:

- People

So **reflect**:

Education

Gained:

Day by day

Weekly:

- **Built**

Achieved

Education

Arrived at

Education

Earned:

Education

Or **built:**

Gained

Why

Quickly:

- **Reason** for

Topic

Education

Education:

Reason

- Was USD

Quickly:

Terms

Like:

- **Career**

For:

A **good** job

Education for:

- **Security**

A house

Reason for:

- Education
- Was USD

We can **see**

So:

- **Article** here

Topic

Education

Please:

Let me

Explain

Odd

Well:

- Maybe **you**

Guessed it

I have:

Yep

Still:

- To **explain**

If:

Reason for

Education

Was USD

Then:

- Wtf

Remember:

People **say**

Or have

Confessed

Pg 16

They were:

- **Instructed**

Like by
Staff

Drop off:

- Education

Then:

This

- Seems **dumb**

I mean:

Like

Without
Education

- Then **how**
- Can you **tell**

Omg:

Hey

Like:

Maybe you
Guessed it

Drop off:

Education

This is like:

- Shed

If **shed:**

Education
Pg 17

Then:

- Education

Is not **there**

Lol

Omg:

- Like

Without
Education

Then **how**
Can you **tell**

Let's **sum**
It **up**

Looking

Remember:

- **Topic**
- Education

Seeing a:

- Man

Without
Education

- **Seems** dumb

Ok:

Dumb

- But **why**

Maybe:

Instructed by
Staff

But **main:**

- Reason

Is USD

People **say:**

- They

Drop off
Education

This **for:**

- USD

Told by
Staff:

Maybe

Yet:

Drop off
Education

- For USD

Said

A man:

Without
Education

Seems dumb

This seems:

- Evident

Conclusion

Think of:

- **Smart**

Funny thing:

Education

It **means**:

- Smart

Get smart

Smarter:

By
Education

We **know** this

Like:

Learn a
Trade

Read a book

Practice hobby

Smarter by:

- Education

We **know**

Education **means**:

Better life

- Like **smarter**

Yet:

People **choose**

Drop off
Education

This **seems**:

Dumb

And we have:

- **Seen**

It **looks:**

Dumb

Out there

Omg:

Yep

See **quote** >>

Quote
