We **see** this:

- **Commonly**

On the **street:**

People

Jump at us

And:

Ask us stuff

For example:

- They **might**

Ask a question

A question:

Or **more**

We see:

- Commonly
- On the **street**

People

Jump at us

And

Ask us stuff

Quickly:

It seems **rude**

So:

- If **this** is

Not **hard**

Then **article:**

Is

Easy to **see**

Point is:

- This would
- **Make** pry

Since:

- **When**

Pg 4

People
Jump at us

And
Ask us stuff

- It seems **rude**

Then:

I **think**

This would
Make pry

If **this** is:

Two main:

- **Uses**

Definition:

To **Pry**

Term pry

Main Use

Term pry:

- **Main** Use

Remember:

Term pry

Introduction:

Seeing This

Well:

Already **said:**

We **know** this

Remember:

- On the **street**

People
Jump at us

And
Ask us stuff

They **might**:

Ask a question

A question
Or **more**

And also:

- How it
- **Seems** rude

Almost **assault**

So:

Seeing This

Setting

Picture:

- **Someone**

Like:

There

Like:

A **setting**

A **place**:

- And

Someone is
There

Present
Pg 11

Could be **us**:

A **setting**

And:

- **Someone** is
- **There**

Also:

Other person

Is there **too**

Setting:

- **Us** there
- **Other** too

Then:

- **Suddenly**

The **method**

Remember:

- **Method**

Person:

Jumps at us

And

Asks us stuff

Ask a **question**:

And **also**:

How it

Seems rude

Then in:

After question:

Ask for more

Commonly **seen**:

- **Ask** for more

Hey:

We **know** this

Kind of **thing**

When they:

Ask a question

And

After question

Ask for more

Most **common**:

It seems **rude**

We **see** this:

- Commonly

And in:

A **place**

Place like:

Setting

Summation

So **method**:

- Shown

Remember:

Most **common**

Method:

- Like

On the **street**

People

Jump at us

And

Ask us stuff

We **see** this:

- Commonly

People

Jump at us

And

Ask us stuff

Like:

A **question**

And it:

- **Seems** rude

So:

Summation is

If they are

Rude

And **ask**

For **more**

Then **topic:**

- To **Pry**

Pg 14

Term pry:

- **Two** uses

Main use

Second use

Term pry:

Two uses

Main use:

Inquire too

Tool:

Second use:

ENDING

So **topic**:

- Covered

Term pry:

- **Topic**

To **Pry**

People get:

Wild

By **choice**:

Wild

Indulge in:

- Preference

Term pry:

Seen

Two uses:

- **Term** pry

Seeing this:

Seems **ghastly**

Indulge by:
