Common:

- **Picture**

1800's Cowboy

He:

**Comes** to town

We **know**:

- On a **horse**

Cowboy:

**Rides** a horse

And:

On **horse**

**Comes** to town

Whoa:

**Cowboy**

Pg 3

Like

- **What** does
- He **see**

There:

In **town**

**What** does  
He **see**

Well:

- It's
- Not **Good**

In **Story**:

When

Cowboy  
**Comes** to town

It's  
Not **Good**

He **sees**:

- Whoa

**Trouble**

Yep:

**This**

For example:

- He **sees**

**Wrong**

This **wrong**:

Is like

We could **guess**

The **wrong**:

- Like

Injustice

**Hardness**

Or **maybe**:

Cruelty

**Hardness** might:

- Be like

**Strong** armed

Stuff

Or:

**Ways** of force

**Called** wrong:

It could be

**Cruelty**

In **town**:

- When **he**
- Cowboy

**Arrives**

He sees **wrong**

So:

- In **Story**

When

Cowboy

**Comes** to town:

It's

Not **Good**

He sees:

**Wrong**

Could be

**Cruelty**

In **town**

**There**

In **town:**

- **Seeing** this

Cowboy:

Gets **affected**

Maybe **grief:**

Maybe **woe**

In **town:**

**Seeing** this

Cowboy

Gets **affected**

So he:

- Starts to **care**

**Period:**

1800's

**Western** Cowboy:

- 1800's Cowboy

**Sees** wrong

Gets **affected**

**There** in town

Pg 6

## Action

Him:

- **Cowboy**
- 1800's Cowboy

**There** in town:

Sees **wrong**

And:

Getting **affected**

Starts to **care**

It **seems:**

- These **things**

Things he **sees:**

**Wrong**

Don't **belong**

Things like:

- Injustice
- **Hardness**

Maybe cruelty

Could be:

**Strong** armed  
Stuff

Or

**Ways** of force

It **seems:**

- For **cowboy**

These **things**:

Like **wrong**

- Don't **belong**

Not in **town**:

No

So cowboy:

- **Acts**

**New**

Cowboy is:

- **New**

New in **town**

Remember:

**Picture**

1800's **Cowboy**

He:

- **Comes** to town

On a **horse**:

He

**Rides** a horse

And so:

On **horse**

**Comes** to town

There:

- **Seeing** wrong
- Is **affected**

Maybe **cares**:

Is affected

**Acts**

Again:

- **New** in town

And **acts**

**Manage**

Cowboy **wishes**:

- Manage

**New** in town:

He **wishes**

Manage

This is like:

- **People**

If only **they**:

Would **manage**

He **thinks**:

- Wrong is **bad**

He **thinks**:

**No** wrong

Is **better** than

Wrong

He **wishes**

Manage

He wishes:

- **People**

People would:

**Manage**

He **thinks**:

- **Act**

He must **act**

In **manage**:

- He would

**Level** the wrong

He **thinks**:

**No** wrong

Is **better** than  
Wrong

He **sees** wrong:

- So he **acts**

**Method**

In **town**:

- Cowboy **acts**

**Seeing** wrong:

He **acts**

Cowboy **invents**:

- **Method**

Method for:

**Manage**

Main **concern:**

- Wrong

**Level** the wrong:

**Manage**

Cowboy invents:

- **Method**

Method to:

**Level** it

**Quell** wrong:

With **method**

Cowboy **invents:**

**Cowboy Type**

**Remember:**

- **Level** it

Level:

The **bad**

Bad **from:**

**Doers** of wrong

**Level** the:

Injustice

**Hardness**

Maybe **cruelty**

**Hardness** like:

**Strong** armed

Stuff

Or

**Ways** of force

**Wrong:**

- He tries to
- **Level** it

Cowboy

Cowboy **Type:**

- **Quick**

Quick **thinking:**

Direct

Maybe **effective**

Remember:

- He **cares**

In **town**

**Wrong** abounds

So:

- **Name**

Cowboy **Type:**

As quick

**Type**

Description:

- **Shoot** from
- The **hip**

Quick:

Usually **effective**
