This is Article:

- Them Two

It is About:

- People

People like:

In general

People

In general:

Is

- Public

General public:

People

Like here

USA

So not:

- Just

All people

But:

A particular

Think of:

- Kids

Omg:

Ok

About

Said was:

- Kids

So:

- Sure

Whoa:

Like that's

A lot to:

Write about

Whoa:

- Like

There are
Many

- Kids

Yeh

Time:

- Comes

Into it

About kids:

- Then

Time too

Time:

Comes

Into it

Before

Quickly:

- Previous

Before now:

Previous

At least for:

- Me

Then previous

Previous time:

- And

About kids

- Think student

Then

That's right:

- Then

Like:

- Time

Comes

Into it

Previous time

And also:

- Said

About kids

Remember:

Think student

Remember:

- Student

Here USA:

- Whoa

Like:

How could we
Forget it

Omg:

- Student

And for
So long

Yes

So:

- Here

Speaking of:

Kids

And student

Plus:

- Omg

Previous time
Too

Well:

- Here is

First tap:

- On

Title:

Them Two

Yes there:

- Were

Many kids

Student:

- Then

So here:

- Includes

Yep:

Them Two

Ok:

Student

Reflect

This is:

- On topic

Reflect:

- Yep

Hey:

Previous time

Student:

- Kids

Growing up:

Too

Probably:

- Them

Like:

The others

Well:

Yeh

They probably:

- Still around

Yeh

We were:

- All

Kids once

Heck:

Maybe some
Still are

Sure:

Could be

We were:

- All

Kids once

Maybe some
Still are

Ok
Pg 6

I guess it's:

- Good

To stay:

Young at heart

Kids:

Maybe some

Still are

And:

- Particular

Here

Is student

Specific =

- Kids

I grew

Up with

Remember:

- Student

And title:

Them Two

Mainly:

- Student

Scene

So picture:

- Student

Pg 7

I think:

- Many

I was told:

Standard =

23 per class

Ok

Student:

- Like

En mass

- Student

Like in:

A school

Student

Even many:

- Student

I saw them:

Student

- In school

I went to:

Public school

Me

There were:

- Many

Student

Pg 8

In:

Public school

And whoa:

So many years

Yes

So me:

- When I

Saw student

It was:

In a school

Ok

Remember

Well:

- This

A setting:

- Like

School:

With student

Many student:

In a school

So if:

- We

Think of now

Pg 9

Like:

- These days

Then:

Student now

Like:

- Grown up

And now:

Today

Like

These days

Then:

Student now

Ok:

Remember

Speak

They say:

- Tell me

Now

Like:

- Stuff

Listen:

- Whoa

Like:

As if

School:

Wasn't enough

Then still:

- Like now

Whoa:

They

Telling me
Stuff

And this:

- Yes now

Like:

These days

Telling me
Stuff

- See

Facts

Whoa:

- Man

Like:

What they
Say

Well they:

- Telling me

Whoa:

Like
Pg 11

they all
knew something
then

Like:

In school

- then

I am:

- surprised

Because:

i never
heard this

- before

no

Way back:

Like
In school

They say:

they
telling me

Whoa:

Like

they all
knew something
then

Like:

- in school

But me:

no

i never
heard this

before

no

And this:

- their thing

They say:

- was from

parents

Their:

- parents

yes

Thing they:

- knew

their thing

They say:

was from
parents

Their:

- parents

yes

So sure:

- like

what is it

ok
Pg 13

Thing

It:

- Like

Their thing

Thing they:

- knew

their thing

They say:

was from
parents

Their:

parents
yes

Term =

- instruction

Yep:

instruction

Thing they:

- knew

their thing

They say:

was from
parents

Term =

instruction
Pg 14

Example is:

- How

Like:

to view

Or:

- to interpret

Maybe too:

navigate

Thing they:

- knew

their thing

from parents

ok

Ans also:

- they
- tell me

Most students:

- knew it

And also:

they were
together

They did it:

- together

They say:

yes
Pg 15

Whoa:

i think

Quite big:

yes

Current

Now:

- Is current

Today:

- them

Student:

from before

They:

- telling me

they all
knew something
then

Like:

in school

But me:

no

Long time:

- ago

student

Yet still:

- like now

Continue:

- saying

telling me

they all
knew something
then

And still:

- now

it seems
yes

ok

Note

I have:

- Articles

Many articles

About:

- people

people now

For example:

- in public

They:

lunge

Or slur

Accuse

And:

sum up
people

- like others

In a:

hasty way

quick
sudden
rude

And whoa:

besides
this

Often:

- they miss

Miss a lot:

yes

Actions put:

- yet

miss a lot
yes

Get mad:

- too

yes

So here:

- student

advanced

Like:

current time

- now

Not so:

pretty

no

They:

lunge

Or slur

Accuse

And:

sum up

people

like others

In a:

hasty way

quick

sudden

rude

And this is:

- now

After so:

- much

instruction

from parent

yes

Pg 19

whoa

It seems:

not so good

no

Two

So here:

- About

Title =

Them Two

These guys:

call them

friends

Well:

- Two

Easy math =

- them

plus parents

Remember:

- instruction

from parents

Them too:

- yes

This makes:

- two

yes

them +

parents =

two

Remember:

instruction

from parents

So two:

- yes

Formula

Look at:

- it

Formula:

- Two

Easy math =

- them

plus parents

Remember:

- instruction

from parents

Them too:

yes

This makes:

- two

yes

telling me

they all
knew something
then

Well if:

- they ran

Program:

- like with

instruction
from parent

Then:

- this spells

Running two

Two is:

- them +

parent

instruction
from parent

So them:

- running two

And anyone:

regular

Will not:

- pay

two
Pg 22

Pay for two:

- no

Nobody will:

no

Go figure:

ooh

So them:

- student

And now:

current time

If they:

- are mad

And:

missing a
lot

like often

Then slim:

yes slim

We see:

- two

Still:

more two

look

Cause

Well:

- what to do

Like:

- running two

and missing

Omg slim:

yes slim

Like a boat:

with

a leak

Omg slim:

yes slim

And whoa:

- man

Still now:

- like

since youth

omg

running two

yes

Who would:

- pay

like for two

nobody

no

So them:

- student

Still:

- now

if mad

Is it from:

- running two

Whoa:

could be

I think:

- one

hard enough

One is:

hard enough

yes

So:

- running two

Whoa:

what odds

Omg slim:

yes slim

Me:

only one

yes

ENDING

So title:

- Them Two

Running two:

- I think

only slim

Not good:

odds

no

And since:

- youth

omg

Running two:

I think

only slim

Not good:

odds

no

They want:

- two

Pg 26

Always two:

like extra

And btw:

even
immigrants

are doing
this

yes

Omg slim:

yes slim
