This is Article:

- Blur Scene

It is About:

- Now

Now like:

Current

Could be:

- Current

time

Or:

fashion

Maybe trend

Ok:

- Current

Simply say:

These times

Current

Current as:

- Now

Setting

Ok:

- Now

And:

- Place too

Now:

As current

And:

- Setting

Here =

- Place

Setting

Think of:

- Me

Me like:

Going around

Setting is:

- Here

And me:

Going around

Seeing things

Seeing things:

- In

These times

Now:

Is

These times

Here =

- Place

Setting

So:

- Me

Seeing things

Going around:

Seeing things

In my town

Oooh

Plot

This:

- Stinks

Plot stinks

Sorry:

- But

Title =

Blur Scene

And this:

Blur Scene

- Stinks

If I:

- Explain

Then you:

Would agree

- Look

Stuff

Omg:

- The stuff

Remember:

- Me

Going around

Seeing things:

In my town

And seeing:

- Stuff

Even:

The stuff

Call it:

Stuff of

- Now

Still:

Stuff

And point:

- Is

Me:

Seeing things

Here:

In my town

Stuff:

- The stuff

Stuff what:

- Stinks

Spells:

Boo

Title =

Blur Scene

This is:

What's

Happening

Yes:

- Only

Blur Scene

Not more:

For sure

But:

Blur Scene

That's the:

- Stuff

Pg 5

Stuff of:

- Now

Is current:

Yep

Describe

Well:

On the ball

Describing:

- Stuff

Even:

The stuff

Hey:

I have

- Articles

About this

Stuff:

This stuff

Quickly:

- Describe

Stuff =

people

angry
mad

Or hasty

Pg 6

And:

omg

throwing things

Articles:

- mention it

I've said:

- throwing

slurs

Or comments

derogatory
language

Poor stuff

Hardly:

friendly

no

- Poor stuff

And said:

style =

angry
mad

Or hasty

Almost:

unsettled

Yep:

- poor stuff

Pg 7

So point:

- Is

This is:

upsetting

Sometimes:

shocking

yes

By describe:

- poor stuff

Like:

upsetting

Like slurs

- Put

Then

So:

- Topic as

Current

Like:

- Simply

These times

Then:

- Whoa

Coincidence

Yep

Just:

- Coincidence

Without:

Bother

- Facts

Here:

Facts

What I mean:

Is

I saw:

- Something

I was:

- Reading

And then:

Suddenly

I saw:

Something

Something:

- I read

Mostly:

I want to

- Share

A specific

Like:

- about it

Coincidence:

Something I

- Read

And this:

What I
Read

Called:

- After

After:

Seeing it

Title:

- Blur Scene

Describe of:

- Title

Blur Scene

Ok

I read it

More

So:

- Still here

Thing I:

- Saw

Pg 10

Or read

Now this:

- It might

Be in:

psych world

Or psych:

domain

Or department

I'm not:

Sure

Where it is:

From

But:

- I read it

And soon:

Too

- Look

Btw:

It was

A little:

- Technical

Still:

Ok

Technical

Quick point:

- For

Continue

- Or more

I share:

- This stuff

Hoping it:

- Can be

Helper

A:

Clinical
Helper

Helper for:

the mad folks
I see around

Described:

- people of

blur scene

ok

Btw:

- This is

real

Not:

sci fi

Ok

And also:

- remember

This is:

- shared

not as
accusative

no

But as:

- kindly

only clinical

Just:

clinical
helper

only this

So this:

- article

Is only a:

clinical
attempt

To help:

- describe

the madness

madness i
see around

Again:

only clinical

ok

Helper

So here:

- Enter

Helper

Clinical:

- Helper

Only

Remember:

this is
shared

not as
accusative

no

But as:

- kindly

only clinical

ok

I have:

- described

Current scene:

before

In it:

- described

some of
these

behavior
traits

Manifest:

behavior
traits

Traits:

- commonly

flying
around

Here:

- like

around
these days

These:

- traits

behavior
traits

Manifest:

behavior
traits

I have:

- seen

For:

some years

Now:

yes

Seen:

- these

behavior

traits

commonly

flying

around

Around:

- here

around

these days

Like:

on the

street

I have:

- seen

For:

some years

now

yes

Meat

So:

- After

Technical

Pg 16

Explaining:

- Clinical

Only clinical

- Then meat

Oooh

This is:

- Why

Write article

Title =

Blur Scene

About now:

Yep

After:

- Share

About:

behavior
traits

Seen for:

some years
now

Then:

- Meat

Quickly:

- Mostly

Two words

Pg 17

But good:

- Yes

Point is:

Two words

About this

This is:

- Here

Like current

Now:

Here =

- Place

Setting

And:

The

people
around

yes

That's the:

- Meat

Two

Ok:

- The words

Two words:

Ok

Pg 18

These:

- people

Like:

throwing
things

People:

angry
mad

Or hasty

And:

omg

throwing
things

Like:

slurs

Or comments

derogatory
language

- Poor stuff

Then this:

- like why

I suggest:

- reason

Category =

manipulation

Types of:

manipulation

By them:

throwing
things

Reason is:

for
manipulation

This is:

- like

To:

control
people

ok

And I:

- see it

Around:

here

i see it

- yes

Power

This:

- behavior

Is like:

psych
manipulation

Quickly:

- as

techniques

These as:

- attempts

Attempts to:

- like

wield power

Power like:

over others

I see it:

- around

And still:

remember

The:

- two words

yay

Them

These:

- Two words

First is:

- Regression

Sounds:

complicated

But no

- Regression

Describe as:

- action

Action:

- like

playing

Playing:

helpless

Or:

childlike

Sometimes:

even

incompetent

As attempt:

- for

manipulation

Manipulation:

over others

This term:

- regression

Like:

helpless

or

childlike

Used in:

- presenting

christian
shiny face

Hey:

- we see it

like around

yes

So:

- technique

This:

by the

cleaver ones

To me:

meh

Yet still:

- word one

And:

remember

One of:

- two

oooh

Next

- So here

Pg 23

We can see:

drum roll

Like:

- excitement

Remember:

- now is

omg

Word two:

- yes

Quickly:

this one

Which is:

- word two

Omg:

- debasement

Omg:

i swear

- i read it

yes

So here:

- shared

cool

Still:

- going on

Pg 24

Describe:

- technique

Called:

word two

- debasement

Used on:

others

Like:

for power

Like to:

put them
down

Maybe:

criticize
them

debasement

Make them:

- down

or low

Like:

feel
worthless

Maybe:

shame them

- debasement

Term:

debasement

Used by:

the
cleaver ones

These days:

- around

yes

We see it

ENDING

So:

- Shared

My:

Coincidence

Omg:

The

- Two words

We:

Saw them

So ok

These:

- Words

Two words

Are in:

- probably

main stream

I think:

category
psych

It seems so:

- yes

We see:

- These

Two words

Terms:

Around

And for:

Me

This spells:

Blur scene

Article is:

Blur Scene
