This is Article:

- Eighty Zero

It is About:

- USA

This:

USA

Whoa:

Like

Three
Hundred

Years now

Whoa:

- Yes

USA

So:

- This

300 years

A long time

USA:

- At

300 years
Pg 1

Is:

A long time

Picture

Then:

- 300 years

And as:

A long time

We know:

Many things

- Happen

We know:

300 years

Is:

A long time

But:

- Here

Article =

Eighty Zero

So:

Keeping with

Title:

Eighty Zero

Just some:

- Facts

A picture:

- USA

300 years

For:

Title

Eighty Zero

Events

In:

- USA

With:

- 300 years

A long time

A question:

- What has

Happened

In:

- USA

With:

300 years

A long time

If we:

- Look

usa history

300 years

Hey:

- like

what is
there

If we:

- look

I think:

no landmarks

No:

real
accomplishments

Mostly:

- I see

just

- jive stuff

We know:

things like

- trending

Or:

- fashion

Maybe:

military

action

Pg 4

Or:

large

corporation

Never:

people stuff

- no

If we:

- look

USA history:

- with

300 years

A long time

I don't:

- see much

I think:

no landmarks

No:

real
accomplishments

Mostly:

I see

- just

jive stuff

Boo

Pg 5

Today

Even today:

- Not exciting

USA today:

- Meh

It doesn't:

- Seem

Organized

Nor focused

Harmony or:

- Happy

No

USA today:

- Seems

Not exciting

I have:

Many articles

- About

Nasty energy

That is not:

- Exciting

No

People act:

- rude

crude

bothersome

This:

not exciting

I don't see:

- promise

no

When I:

- grew up

People always:

- spoke of

hope for
the future

But now:

- today

Hey:

I don't

- see it

no

Slim:

appearance

Out there:

- today

yes

Pg 7

Title

Remember:

- Article

Title =

Eighty Zero

About this:

- what is

eighty

Also:

- sure

what is

zero

Today:

- we see

symptom

Symptom:

- of

perhaps

- old thing

It looks:

- like

usa

never went

anywhere

Sure:

- we made

automobile

Or computer

yes

Maybe:

- airplane

Not much:

- there

usa

I think:

- same stuff

300 years

a long time

And:

there is a

- point

about this

Point

Well:

- Quickly

If:

- usa

never went

- anywhere

Then:

that is

sad

Remember:

many years

- school

Or:

- job work

or

job training

Still:

It looks

- like

usa

never went

anywhere

And if:

- we spent

time

- trying

Then:

- also

that is

Pg 10

sad

yes

So here:

- a question

Mentioned:

- a question

In:

USA

With:

300 years

A long time

A question:

- What has

Happened

In:

USA

Asking

Well:

- If

USA

With:

300 years

A long time

- Nothing

Nothing:

- really

happened

And:

- with

300 years

A long time

So:

- perhaps

since

some time

Like:

- 300 years

Well then:

how did it

- get

this way

This is sad

Ok:

good

Sure:

- this

With:

300 years

Pg 12

A long time

And:

- nothing

really

happened

Well:

- probably

it must

have

- developed

How did it:

- get

this way

Let's see

Example

For this:

- usa history

Like:

- basically

dud

Then:

- i can

share

- example

I can:

- share

one main

- thing

A move:

that i

- see

People:

commonly do

This could:

- help

explain it

Explain:

300 years

- dud

And:

title =

eighty zero

ok

Move

Quickly:

- example

Move:

- people use

A move:

that i

- see

People:

commonly do

Picture:

- a setting

And:

conversation

- is going

People:

- talking

conversation

And:

- btw

you know

People:

always want

To:

- suggest

like

- better ideas

Ideas like:

- to

take it

- higher

yes

Ideas for:

conversation

So then:

- the move

A move:

that i

- see

People:

commonly do

Him

In:

conversation

People:

- talking

Well:

- move

Move:

i know is

One guy:

throws up

- a blob

blob of

shit

Nasty stuff:

- yes

Like:

- slur

Or gossip

Could be:

- slander

Even lies

One guy:

throws up

- a blob

of shit

And he:

- expects

He:

is part of

conversation

Plus:

along with

- this

He:

- tries to

Pg 17

be carried

Carried:

- along

With:

conversation

Carried:

- while

his piece

stays around

Omg:

- yes

i see this

Even:

commonly

- whoa

Btw:

i think

that this

- is

mostly

catholic

slob

slob stuff

yes

Sad to see

But yes:

I see this

A move:

- move

people do

yes

Point

So sure:

- we would

wonder

Why say:

- this

Why say:

- people

throw

slob stuff

Point is:

it happens

- too much

And:

mentioned

is

Maybe:

- usa history

300 years

A long time

So:

- such

action

This:

- commonly

Would lose

go figure

- yes

You can't:

miss a lot

- and

continue

no

Bad actions:

- can't

make it

Then point:

- is

Not arriving

Never:

- finish

Not connect

Pg 20

Boo:

terrible

This is:

- slim

And would:

- not

make it

See about it

Result

So here:

- said enough

Description:

- setting

Poor:

- behavior

is slim

To:

- complete

something

That is:

- 100 %

To finish:

is good

We do:

- things

everyday

To:

- complete

something

That is:

- 100 %

To finish:

is good

I think:

- usa history

usa people

Never did:

- finish

Hey:

we see it

around

People:

- don't

finish

things

So this:

- as a result

Pg 22

Then:

- not

100 %

To:

- complete

something

That is:

- 100 %

Poor:

behavior

not

100 %

So:

only 80

- eighty

Eighty

It seems:

- usa history

People only:

- got to

80

- eighty

80 %:

not more

We know:

- there is

a way

A way:

- to

finish

something

Short:

- is

less

yes

To:

- complete

something

That is:

100 %

Poor:

behavior

- not

100 %

So:

- only 80

80 %

USA history:

- slim

USA:

- only got

80 %

And this:

- not

arriving

no

Zero

Sum up:

- then exit

At:

- 80 %

only 80

People:

- would

want more

And:

- it seems

usa

runs

on and on

Pg 25

So:

- if

only 80

usa:

- only 80

Then:

- probably

Another:

side to it

There must:

- be more

If:

- usa

300 years

a long time

Only made:

- 80

80 %

Then:

- other side

But:

- i think

Nobody:

- ever

Pg 26

worked on

it

- no

So:

- what is

other side

usa:

- only 80

80 %

And:

- other side

not made

oh

ENDING

That's it:

- Article

Eighty Zero

- Article

USA:

- made

300 years

Only 80

- 80 %

just 80

And:

- more =

other side

Yet:

- hey

never

made

Never:

- made

other

side

Omg:

ouch

Article is:

Eighty Zero
