This is Article:

- Not Me

It is About:

- A Second

A Second:

- Like

After

After:

A first

Comes:

Second

So:

A Second

After:

- A first

More

Seeing

So:

- Idea =

A Second

Pg 1

A Second:

- After

A first

We know this

A Second

Look at:

- example

Example:

- Place

Think of:

Track race

Hey:

- Yes

We know this

Track race

In this:

Track race

Many runners

Let's say:

- Ten

Track race:

- Has

Whoa:

Many runners

Pg 2

Or:

Ten runners

Track race:

- With

Ten runners

And:

- We know

Yay:

Winner

Winner is:

- Yeh

First place

Example =

- Place

And in:

Track race

Ten runners

Winner is:

First place

Yay

So:

- Example

Place

We know

Topic =

- Second

So:

- Here

Like:

- Following

Track race:

Winner is

First place

Then:

- If

Topic =

Second

A Second

Then:

Following

Track race

- Winner

First place

Comes:

- Topic

A Second

Second:

Like place

Pg 4

Comes after:

- Winner

Example:

Track race

Winner is:

First place

Then:

- Following

Track race

Winner

First place

Comes:

- A Second

A Second:

- Here

Track race

Second is:

Second place

Not:

Winner

No

But:

Following

Winner

Pg 5

Comes:

- Second

In:

Example

Track race

Following:

Track race

Winner

Comes:

Second place

Not:

First place

But

Second place

Only:

- Second

Topic =

Second

A Second

Example:

- Here =

Place

Second place:

- Follows

First place

Example:

- Here =

Place

Shown as:

Track race

Winner is:

First place

Second place:

- Follows

First place

Ok

Value

Ok:

- More

We see:

- That

Since:

Second place

- Follows

First place

Then:

- Whoa

Like:

Only second

Second place:

Only second

Not first:

- No

Only second

Second place:

Only second

So yes:

- Like

What:

- Value this

Like:

- What

Does it mean

Second place:

Only second

Here:

- Value

Best phrase:

- Is

not as
good as

This is:

- like

second place

not as
good as

first place

And us:

- yes

Hey:

we know this

Second place:

not as
good as

first place

Second place:

not as
good as

- other

Other was:

first place

Second place:

not as
good as

other

Example:

still =

place

ok

Second place:

not as
good as

first place

We know this

yes

Primary

Still:

- Here

About:

- Second

A second

Second:

- Follows

After one:

Comes two

Two =

- Second

After one:

Comes two

- second

So here:

- we see

First =

- Primary

Primary is:

- First

Before:

second

Primary is:

First

Primary:

ok

Story

Now this:

- Goll

Like:

- Story

Story is:

- About

her

Her =

- she

Quickly:

- she is

i thought

Pg 11

Common:

- term

this

Is:

ego

Said before:

- she

her

- is here

And:

she is

i thought

Common:

- term

this

Is:

ego

Actually:

- a karma

But common:

- term

used =

ego

Ego:

or

i thought

ok

Well:

- story on

her

And this:

- story

includes

Omg:

her

Like:

treatment

Treatment:

specific =

- me

Yep:

me

Her:

- treatment

of me

Think:

sad

Pg 13

ok

Her:

treatment

of me

is sad

Why

Quickly:

- she

or her

Being here:

- she

Like:

shows up

Yep:

- shows up

And sure:

- like

when

Well:

quickly

It seems:

- any time

she wants

Pg 14

Omg:

yes

any time

she wants

But:

- wait

Remember:

- effect

Like:

sure

What:

does she

- do

Ok:

go

Move

As i:

- go

Sometimes:

- she

Makes:

- a move

Hey:

could be

participates

Or:

- also

Yet:

- As i

go

Sometimes:

- she

Makes:

a move

yes

And:

remember

I:

- tell you

this

Like:

- me

I:

- see her

And:

sometimes

she

Makes:

- a move

yes

I see:

- this

So:

put here

ok

Type

Move:

- made

Like:

- by her

What type:

- move

made

by her

We might:

know this

Heck:

- she

Is probably:

like

common

So:

- probably

others

around

Heck:

maybe many

Maybe many:

- hers

around

And since:

- she

makes

- a move

What type:

- ok

Types:

- example

Whoa:

- contra

Not:

violent

no

But:

- contra

Pg 18

Hey:

sometimes

Look at:

- version

ok

Version

Move:

- types

Like:

- made by

her

Mentioned:

Is contra

She might:

- try

Like to:

- make me

look bad

This is:

like

quickly

Make me:

- look

like

- level two

Hey:

- this is

my place

I am here:

yes

So me =

- primary

yes

Then her =

- second

Ha:

yes

Her:

- only

second

Remember:

a second

Topic =

Second

- So her =

second

Not first:

primary
Pg 20

Her is:

- second

only

second

- a second

ok

her

Throw

Oooh:

- boy

Remember:

move type

her

Sometimes:

- she likes

throw it

Throw it:

- like

on the

- ground

And me:

i don't

like that

no

Check out:

- this

scene

Her:

- like

throw it

Throw it:

on the

ground

Her:

yes

oooh

Scene

Goll:

- me

Like:

i might

- do

an action

Think:

put a
shirt

on the
bed

- yes me

I might:

put a
shirt

on the
bed

And then:

- her

Like:

almost

from nowhere

Remember:

- her

action

Action type

Throw it:

- like

on the
ground

And me:

oooh

I don't:

like that

no

Or this:

- I might

put a bag

on the
shelf

And her:

- yikes

Action:

throw it

like

on the
ground

- her

Seems:

contra

I don't:

like it

no

What about:

- also

put a note

on the
table

And her:

action type

throw it

Like:

- throw it

on the
ground

- her

I don't:

like it

no

I don't:

- like

my things

on the
ground

no

ok

Reason

So:

- what

to do

Her:

bad action

Like:

- type

throw it

on the
ground

- my thing

Pg 25

After me:

- action

Action by:

me

Like:

put a
shirt

on the
bed

Or:

put a bag

on the
shelf

And then:

- her

like

throw it

on the
ground

Bad action:

- her

boo

I don't:

like

my things

on the
ground

no

So:

- what

to do

Why:

we think

Why does:

- she

do this

After me:

an action

Then her:

- like

throw it

on the
ground

Not funny:

no

Why:

what reason

- this

huh

Me too:

- i wonder

why

Why:

what reason

- this

Her action:

bad

yes

Why:

what reason

this

Arrive

Good:

- arrive

We wonder:

- why

Why:

her bad

This is:

- me

Yes:

me here

I:

- thought

about this

yes

Good:

yes

Why:

her bad

- why

Ok:

- look

Maybe:

- her

lord

Put her:

here

Me:

i did not

make her

- no

She:

- seems

to

be here

- her

But by:

me no

- no

So:

- think

Term:

attracted

Like:

- why

is she
here

Why:

- is she

attracted

to here

I see her:

sometimes

So she:

comes here

Why:

comes here

- her

why

It might:

- help

to know

Why:

her bad

Others

Well:

- what about

others

Hey:

- like

besides

- her

I have:

- seen

others

Others:

like

attracted

- here

yes

Do they:

- others

follow her

Goll:

i don't
know

These guys:

- her

Pg 31

And:

- others

Do they:

- think

Feed:

off him

Goll:

bummer

This is:

not so
good

no

Why:

what reason

- this

huh

Level

We see:

she

does bad

yes

Sometimes:

like

contra
Pg 32

We:

- now

got it

Got it:

- like

to here

So:

- remember

topic

- Topic =

Second

- A second

Her:

- about

Does she:

- think

Me:

a second

I hope:

- not

no

When she:

- tries

bad

Pg 33

Tries:

her move

- like

throw it

on the
ground

Does she:

- think

Me:

as a

second

I hope:

- not

no

I am:

- primary

So me =

- not

Not:

a second

no

What level:

- this

She seems:

bad

Summation

Got to:

- conclude

Here:

- summation

How:

does she

bother me

- how

Does she:

- think

me

I am:

a second

- boo

Hey:

- me

primary

So not:

a second

no

And others:

said

Pg 35

I see:

- like

others

around

People:

- I see

bother

other people

yes

I see it:

- around

Do they:

- think

Other:

is a

second

Goll:

i don't
know

But me:

- primary

I am not:

a second

no

Pg 36

- Topic =

Second

A second

ENDING

So we:

- see

here

her

One issue:

- for me

Topic =

- Second

A second

People:

- I see

say things

Things:

- about

like

others

Maybe:

their

parents

Pg 37

Or:

government

Hey:

- me =

primary

I am not:

a second

- no

If she:

- tries

To:

call me

a second

I am:

- careful

I am not:

a second

no

- Me =

primary

I am not:

a second
