Talks about:

Pain Man

The construct:

- Simple

Guy:

Pain Man

One word is him

- Man

Guy:

Pain Man

Second word:

Two word
Construct

- Is pain

He:

- Pain man

Has pain

Second word:

- Is pain

Two word:

- Construct

Pain man

The two words

Topic

Topic is:

- Pain

He:

- Pain man

Has pain

So:

- About = him

And:

- Topic = pain

Pain man:

Has pain

Then let's:

- See why

Pain man:

Has pain

Cause

Somehow:

- Pain man

Has pain

Reason might:

- Matter

Why:

Pain man

Has pain

Btw:

- If

Our guy

Pain man

Has pain

Then it seems:

He is a

Drag

Omg:

- Could be

Yes

Sure:

Could be

But still:

Go on

Enter

Here:

- Point

Comes in

- Enter point

Remembering:

- Why

Why Pain man
Has pain

Like:

It could matter

Then:

- Sure

Why pain

Why:

Pain man

Gots pain
Pg 5

The idea:

- Why pain

I'm not sure

Why Pain man
Has pain

I'm not sure

Yet:

How he got it

- Ok

Could be:

War

Could be:

Conflict

Or could be:

Non success

Maybe just:

- Dumbness

Still:

He has pain

Pain man:

- Has pain

Somehow:

He got pain

I hope not:

Just imagined

More

Point still:

- Matters

So quick:

Since he

- Got pain

Pain man

Then him:

When he

- Sees others

Bad

He gets mad:

- Pain man

When he:

- Sees others

Like:

Pretty people

- He gets mad

For him:

- Pain man

Pretty people

- Are others

Among others:

Pretty people

He gets mad:

- Pain man

Him:

When he
Sees others

He gets mad

Pain man:

- Gets mad

Mad is from:

- Angry

So why:

- Matters

Then mad:

Here

Is the point

Point is:

Why he is mad

Pain man

Why:

- Pain man

Gets mad

Seeing others

Why

Continue

So his case:

- We see

When he:

- Pain man

Sees others:

He gets mad

This includes:

- Pretty people

Mad is from:

- Angry

He is mad:

For a reason

- Because

Why is in:

Because

Why he gets:

- Mad

When he:

Sees others

He gets mad

He sees:

- Clearly

He sees why

Immediately
Directly

- He sees why

Reason

They don't have:

- Topic

Like him

- Topic is pain

He has pain

Maybe even:

Absorbed in it

Pain man:

- Has pain

He sees:

- Others

They don't seem:

To

Hurt like him

Suffer like him

Or bear weight:

Like him

He might think:

- Then

Others have it

Easy

Omg

They don't:

Hurt like him

He sees this

Pain man

Comparing

Pain man:

- Sees others

Comparing:

He has it

Hard

- Them no

For him:

- Simple

Compared:

He has it

Hard

Them no

So him:

As poor people

Action comes in

Ooh

Them:

- Others

As:

Less than him

He thinks:

They get

- Slammed

It comes down:

- To this

Pain man's:

View

Action comes in

Them:

- Others

As

Less than him

He thinks:

They get

- Slammed

Short

So here:

- Quick

To make a:

Long story short

George
