

Stranger Story

Author:
Thomas Lloyd
TheEvenMind

This is:

- Stranger Story

A Story:

About a guy

Stranger:

- A Guy

I call him:

- Stranger

He:

- Stranger

Went on a trip

- Visited

Another Country

Visitor:

He was

Stranger yes

This is:

The story

- Stranger

It could be:

True

Story

The guy is:

- Stranger

Visitor:

I call him

- Stranger

Said is:

He visited
Another Country

Could be:

Another
Neighborhood

He:

- Stranger

Went on a trip

Visited

Another Country

Could be:

Another
Neighborhood

There:

Other place

He could have
Been

Immigrant

I'm not sure

The guy:

- Stranger

Visited

There

Another Country

Or:

Another

Neighborhood

So Story:

Is just about

Him

The guy:

- Stranger

Him

Guy stranger:

- Was

Like verb:

- To be

Guy stranger:

Was

He was only

- Visitor

Only visitor

It was not:

- His home

Pg 3

Other place

Immigrant:

I'm not sure

The guy:

- Stranger

Visited

There

Another Country

Or:

Another

Neighborhood

So:

- As visitor

Only visitor

His rights:

- Limited

So:

Limited stranger

Rights

He only had:

- Visitor rights

Limited rights:

Stranger

The guy:

- Stranger

This means:

He was

Not a local
Not a citizen
Not a patriot

- No

He was:

- Stranger

As visitor:

Only visitor

His rights:

- Limited

He only had:

Visitor rights

There was:

So much
He was not

Stranger

The guy:

- Stranger

Only visitor:

Not a local
Not a citizen
Not a patriot

No

Moving On

Well:

- Stranger

He was there:

- Visitor

And him:

After time

- There

Staying there

He adapted

He learned:

- The ways

The ways of:

- There

Another Country:

Another
Neighborhood

Visitor

Him stranger

And:

After time

There:

Staying there

- He adapted

Pg 6

He learned

Learned the ways

The ways of:

- There

That place

Stranger:

Only Visitor

Then Dumb

We knew:

- This would

Happen

For some:

Dumb reason

- He blew it

Stranger:

Only visitor

- There

One day:

For some

Dumb reason

Stranger:

- Got cocky

He blew it

Yep

Pg 7

That day

Form was:

- He

Assumed stuff

He tried:

- Stuff

Stuff he
Thought

Stranger's stuff

Stranger tried:

- Assumed

The way of:

Locals

And he was:

Only visitor

Stranger:

With
Limited rights

Only visitor:

Stranger

On that day

Danger

When he:

- Blew it

Stranger

Like:

Went too far

Like:

- Assuming

Assuming:

Ways of

Locals
Citizens
Patriots

He went
Too far

That time:

People were
Together

Them:

- There

When:

People were
Together

It got
Dangerous

Dangerous for:

- Stranger

So dumb:

Guy stranger

Tried to:

- Boast

Maybe even:

He tried to

- Dominate

And this was:

Bad

- Dumb

Therefore:

- Resulting

He got hit

Stranger hit

Hit by:

- Protection

Yep:

They got him

- Them

Hit:

- Stranger

It was:

On that day

There

When:

People were
Together

Stranger:

- Hit

He blew it

Result

Well:

- With

Stranger hit

Hit by
Protection

Locals
Citizens
Patriots

- Them

It seems:

The universe

The way of
Things

Seemed to:

- Support it

Like ok

Stranger was:

- Hit

And that:

Was that

Because he
Couldn't

Shake it off

Couldn't:

Get well again

Then he was

- Hit

Stranger was:

Hit

And he couldn't:

Get out of it

No

Back Home

So stranger:

- Sad

Like:

- Defeated

Defeated by:

Protection

Locals

Citizens

Patriots

Them

With:

Limited rights

- He went home

And there:

- Home

Back at home

His country:

- Told him

Stranger:

You
Went too far

Sad:

For stranger

Oh

ENDING

Sorry:

- About

This story

- Stranger Story

Even though:

He learned

- Stranger

Still:

It was not
Enough

Stranger blew it

And his:

- Country

Told him

Back home

He went
Too far

- They said

So if you:

- See him

Stranger

Be kind:

He might
Feel

- Hurt
