This is Article:

- Summer Prayer

It is Summer Now

We Still Have:

- Some Summer
- Left

Left to enjoy

It is Summer Now

Actually:

It's Getting Towards

End of Summer

Still:

Summer is Here

I hope you:

Are having
An ok Summer

Thoughts

I have had:

- Good Summer
- So far

Just like:

- Most Summers

Before

An ok Summer

For me:

- Good Summer
- So far

This year:

- I watched

Summer arrive

Summer:

- Came in

After Spring

Summer arrived

And still:

- After Spring

Good Weather

Continued

- Summer

So I:

- Pulled Out

My Summer clothes

Ready

I have:

- Some clothes

I only wear

In Summer

Pg 2

Think:

Shorts

T-Shirts

Baseball Hat

My Summer clothes

And:

It's Summer now

Seeing Summer:

- I reveled

Revel

I reveled at:

- Idea of doing

All the things

Summer has

- To Offer

Example:

In Summer

There's So Much

Less Worry

And also:

- When weather

Is warm

Like in Summer

Then I can:

Always think

Of something

To do

- Summer

We still do:

Have

Some Summer left

Left to enjoy

Summer Thanks

Summer is good

I have:

- Enjoyed

Summer so far

I do hope:

All summer is

- Good

One Good Summer

Entire

Also:

I hope for

Many more
Summers

Like this
To come

So far:

With this
Summer

We already have
Pg 4

Good memories

Some Good Memories

I've had:

Fun this Year

We always want:

To remember
Summer

As A Fun Time

- Summer

We know:

- That

This Summer
Will end

Eventually finish

All Seasons:

Do end

Finish

Yet still:

Even though

This Summer
Will end

It's good to:

Give thanks

Thanks to Summer

Take A Minute:

To give thanks

Thanks to:

Summer

For a good:

Summer

Warm

This Summer:

- It is warm

Being warm:

- Summer is

Away from
The Cold

Cold is:

The Wind
And the snow

This Summer:

- It is warm

So this:

- Summer

Is Good Enough

For giving

Thanks to Summer

Pretty Things

There Are:

- Pretty Things

Pretty Things:

To see
In Summer

Me:

- I like the

Beach in Summer

Ooh

I didn't get:

To go there
Much

This Year

But I like it

Beach in Summer

As Much As I:

Wanted to go

I didn't get

To go there
Much

This Year

Still:

I do
Like

Beach in Summer

Even still:

Without the beach

Hey:

That doesn't mean

It wasn't a

Good Summer

- Summer

I still feel:

- Pretty Good

About Summer

- This Summer

So I like:

The idea of
Giving

Thanks to Summer

This Year:

This Summer

I have:

- Found

Some of Summer's

Pretty Things

Ooh

Then I like:

The idea of
Giving Thanks
To Summer

Summer Wishes

Summer is good

This Summer:

- It has been

Good Summer
For me

I Feel Pretty:

- Good

About The Summer

Then I:

Have No Problem

With wanting to
Give Back

Give Back:

- Or

Thanking Summer

This is Like:

- Summer Prayer

I would:

- Do This

Summer Prayer

Thanking Summer

By way of:

- Summer Wishes

Here:

I have some

Summer Wishes

Wishes to Share

I hope everybody:

Has a

Good Summer

Three Wishes

I Hope That:

In the Rest of
This Year

You Make No
Mistakes

Cheers, To This
Summer

And Another Chance

For Us to
Get It Right

Wishing You Good

Health, Happiness
And Success

In This Season
And Always

Thanking Summer:

By Some
Summer Wishes

Looking Back

Since Summer:

- Will end

Finish

We know it

We Can still:

- Think

About Summer

It is:

- Good to

Enjoy Summer

I remember:

Summer is Not

So cold

Winter is cold

Summer:

Not as cold as
Winter

brrrr

This Summer:

- The idea of

Thinking Free

Yay

And also:

- The idea of

Feeling
Light Hearted

Yay

These are:

- Common Things

We Feel during

The Good Time

And even though:

Summer will End

We Still Know:

Our Feelings
About Summer

- They are Real

Summer is good

We remember:

A Good Summer

We remember:

Time at The Beach

Summer's
Pretty Things

Summer Wishes

More

We Remember:

- Good Things

So for us:

Before This
Summer Ends

We could pause

We could:

- Take A Minute

Minute for Summer

This Can Be:

- Our

Summer Prayer

Remembering Summer

Wanting Summer

As Summer:

- Is here

Going On

It's Good to
Reflect

Reflect on:

- Summer

It's Good to:

Be in Touch

With our memories

Memories of Summer

Memories from Summer

We want:

- Summer

Summer to be:

With Us

We Want to be:

In Touch with
Summer

Us And Summer

We could:

- Remember

Summer's
Good Things

Remember:

A Good Summer

Time at The Beach

Summer's
Pretty Things

Summer Wishes

And remember:

That We All
Love Summer

Probably Since
A Long Time

- Summer

Summer is probably

The Best Time
Of Year

And yes:

Summer is
Also

- Still Here

Praising Summer

Summer:

- Hey

It's here

We're in
Summer Now

It's still around

So let's say:

Thank You
To Summer

Thanks, Summer

- For Summer

And wondering:

Whoa

About Summer:

- Is it ok

Summer

Has Our Summer:

Been Good

As Summer:

Winds Down

Finish

And we:

Reflect on it

- Summer

Memories of Summer

Then:

- We Add

Our Memories
Of Summer

To Our Collection

Collection of:

Good Memories

This Summer too

Review

So:

- Our collection

Think memories

We all have:

Many Memories

From Things Good

And Summer:

- We can wonder

Pg 16

Did it go
Good enough

Did I like it
Summer

Did I do enough

Was it fun enough

Summer:

Was there enough

Enough to:

- Remember

For sure:

- A Good Summer
- For Me

And how good:

We Are All
Still Here

- Together

After So Much:

Talk On Summer

Ooh

ENDING

So:

- Summer

We said
We know

Summer will End
Pg 17

Finish

- Summer

Still:

We Can Rejoice

Summer

Winds Down

Yet:

Our Memories
Of Summer

Good

And We Can:

Stay in Touch
With Us

We Can:

Remember Summer

Remember:

- Until

This Time
Next Year

- Next Summer

Then:

When We
Meet Again Here

Here At
This Place

- Next Summer

Lol

And:

Remember Summer
Again

- Together

One More Time

Then We Can:

Rejoice Again
Too

If We:

Do Good

Good enough

Then we can:

Do This Again

Again:

Many Times More

Yay

This is:

Summer Prayer
