This is Article:

- The Straggler

It is About:

People
Common Day

This:

Common Day
Is like
Here and Now

Here where we live

The Name

Since Article:

- Is called
- The Straggler

He is A Guy

The Straggler:

A Guy

He is used:

As random example

Hey:

There are more

I think that:

- There are various
- Stragglers
- Out there

So Title:

The Straggler

He is A Guy

The Straggler:

- Is A Guy
- Used as
- A random example

I think that:

There are various
Stragglers
Out there

Definition

So:

- If
- There are various
- Stragglers
- Out there

What is Straggler

There would be:

Definition

A Straggler:

- Is a guy
- Usually in a group
- Who becomes
- Separated from
- The group

Main reason:

Separated
Is because he
Moves too slow

So:

Definition
A Straggler
Is like
To dawdle

Dawdle or
Waste time

Slow.

My Saying

I have a:

- Saying

Good to
Use here

Saying is:

Offered

Referring to topic
The Straggler

Topic:

- Straggler

Slows it down

Usually:

When people
See him
Straggler

He slows it down

So I say:

- My Saying

This is a:

Main Point
In The Article

Saying is:

- A good man
- Never starts
- With a false move

Easy to hear:

The Saying

It makes sense too

My Saying:

Can apply
To topic

The Straggler

He is slow

About Saying

My Saying:

- About it

If Saying is:

A good man
Never starts
With a false move

Then:

What is false move

Remember:

- Starts
- With a false move

When we start:

Something

We usually
Mean it

If we:

Start to
Do something

Usually a reason

For example:

- We never
- Start something
- With

A Bluff
A Trick
A Stall

When we start:

Something

We usually
Mean it

Usually a reason

So:

- The Saying
- Makes sense

A good man
Never starts
With a false move

Applying it

We can see:

- Examples of this

The Saying

Look at these:

A boxer

A matador

A tennis player

A card player

They could:

- Never start
- With a false move

It would

Ruin them

Our:

First move

Matters

All subsequent:

Moves

Follow

First move

So:

- First move
- Is our start

Yep

Modern Times

These days:

- Common Day

The Straggler:

Is there

We can:

See him around

This:

Common Day

Is like

Here and Now

Here where we:

Live

The Straggler

Is there

We can:

See him around

Btw:

- This viewing
- Or sighting

The Straggler

Around

Could be:

Thousands of

Years old

There can:

Have been

Stragglers before

So:

- Now
- These days

Modern Times:

The Straggler
Is there

We can:

See him around

Seeing This

Straggler:

- Around

I see people:

Like this

I see:

Straggler Around

And:

For
Some time now

I am calling:

- Him straggler

And I:

Can say why

Remembering

Definition:

- Straggler

A guy:

Usually in a group

Who becomes
Separated from
The group

Usually:

He
Moves too slow

So the name:

- Straggler

And Straggler:

Seems like
From a group

These people:

Like
From around

Often seem like:

A group

The Straggler:

- Seems like

From a group

This is:

Mainly because of
Similarity

Similarities:

- Like of
- The group

Are like:

Generally slack

Slack is like:

- Poor in qualities

Sometimes seeming:

Void

Absent

Lacking

Short

Sometimes:

These guys

Not even present

This is not:

- Aloof
- Or romantic
- No

More like:

Vacant

So:

- Remembering

Straggler

His group

Definition

Description

Not always pleasant

Then sad

The Group

Omg why:

- Do they do it

They act so:

Meh

Could this be:

Empty

Let's communicate

The Group:

- Description

I am calling:

Them stragglers

I see them
Around

And:

For
Some time now

Stragglers:

- They seem
- Dodgy

Like:

Avoiding things

Hey:

- When we

Meet someone:

Like encounter

A minimum is
Required

We do have:

- Duty and
- Obligation

But these guys:

Whoa

They seem slack

Short:

Like

wtf
is there
anything there

Absence:

- Is
- Seeming like them

It is:

More clear

With example

Example Race

This is:

- Example

Example Race

For this example:

We could use

A track race

We know:

- A track race

It can serve:

As example

In:

- A track race

Runners:

Line up

They:

Get together

A group

And an official:

Starts it

A track race

We know:

- A track race

This can serve:

As an example

Normal people

Together

Continuing

Ok:

- A track race

In:

The event

The race

The runners

They:

- Run and run

Until the end

At:

The finish line

Conclude

Now:

- Having this example
- A track race

Let's look at
The Topic

Article is about:

Modern guys

These guys:

I am calling them
Stragglers

These guys:

- Stragglers

If
In the race
Track race example

Do they:

- Dog it

Do they:

Participate

For example:

- Do they

Delay it

Like

At the start

Do they:

Get abstract

Like

In the event

Or:

At the finish

The end

Do they:

Suggest

Abstractions

Like

Rewards that they

Deserve

Omg

When an:

- Event
- Has definition

We can't just

Change the rules

No

We can't

Stand alone

Separate

No

We can't just

Change the rules

This would show:

- Especially if
- The guys were

From a group

Remember:

These guys
Stragglers

Seem like
Members of a group

We can't just
Change the rules

We can't
Stand alone

In a race:

- We are together

Point

With:

- Race example

We could
Make a point

We can't just:

- Live our lives
- Selfish

We can't:

Go through the
Days

Only singular

This would be:

Like
Individual only

The:

- Common of man
- Is like

All of the people
Together

It:

Depends on
All of the people

If some:

- Of the people

Miss it
Stall it
Or dog it
Like delay

Then that:

Is hard for
The whole thing

So stragglers:

- Looks like
- No help

And also:

Sad

With example:

- Like track race

They would not
Finish

Sad

Then:

- No credit
- No recognition

So:

No contribution

Nothing from:

Them

Sad

Many things:

- Call for
- Together

Credit

Any credit:

- That we get

Is earned

Generally in life

Hey:

We must

Put it there

If we

Want it there

So we can:

- See

My Saying

A good man
Never starts
With a false move

Any credit:

- That we get

Is earned

Today I see:

A group of
People

Many members

From the common

With:

Way out ideas

Ideas that:

Could not materialize

You can't go
Anywhere
With something
Not solid

Not half solid

Loco ideas
Are not solid

Pretending
Not solid

Imagining
Not solid

These things:

- Are abstract

And:

Nobody would
Buy them

The group of:

- People

I am calling them
Stragglers

Don't seem to
Be
Going anywhere

So maybe just:

Wasting time

Stalling
Waiting

This is not:

- Contributing
- Participating

So:

Poor chance

Hard to get:

Credit
From abstract

Most people:

Try and try

Seeing it

Well:

- Then what
- For them

It looks slim

You can't just
Talk

That doesn't:

Go anywhere

Overall no

Seeing it:

- Slim chance

What hope:

For that

If they:

- Dodge the point
- The facts

Go:

On and on

And then:

At the end
The finish

Call it ok

Probably no

You can't:

- Wait to the end
- Then
- Switch it

Ok is a:

Built thing

Ok is:

Constructed

People agree

Without:

- Participating
- Cooperating
- Together

It usually:

Doesn't make it

Remember:

My Saying

A good man
Never starts
With a false move

No start:

Is false

Summing Up

These guys:

- I call them
- Stragglers

Like a group

If they are:

- Bluffing
- Only abstractions

Then there is:

No fruit in it

No result:

Comes from
Abstraction

Avoidance:

- At the end

There is no
Fruit

Facts matter

Doing it:

- Right

Is almost
Required

We get nothing:

By avoidance

There are rules

Level Two

What about:

- Continuing

Omg

Level Two:

- You can't
- Get to
- Level Two

Without
A Level One

No start is:

- No Level One

Trying:

A lunge

A leap

Or madness

From:

Level One

Does not guarantee

Level Two

Progress is real

Earned is real

Nobody can:

- Avoid
- Dodge
- Or wait
- Until the end

To arrive

This won't:

Complete something

Fact is fact

Built thing is

Built thing

The Straggler:

- He will have
- A hard time
- To complete

ENDING

Sad:

- The Straggler

My Saying:

A good man
Never starts
With a false move

Starting ok:

Is super

We hope for it

I see:

- 132

My idea:

132

I don't know:

If there is
A 132
In that one

The Straggler

If he is:

- Late

Usually no finish

We can't:

- Count on

A quick exit
After
Non participation

If it is:

- Not built
- Then
- Not likely

To finish:

Is super

Not at all:

Is not

The same

Not finish:

At all

Wtf
