A method

Method =

How does it:

- Go

Definition:

Coathanger

Definition

We know:

- A coathanger

Heck:

We use them

So we know:

- Use of it

Coathanger

Example:

Hang a shirt
In the closet

Or:

Hang a jacket
In the closet

In the closet:

- Coathanger

Coathanger with
A shirt

Or with
A jacket
On it

- Coathanger

Having:

- Two arms

Coathanger

Holding up
Shirt
Or jacket

In the closet
Ok

We know:

Coathanger

And:

- Uses of it

A coathanger

That's the one:

We know

A coathanger

Specific

So:

- Here

A specific

I mean:

- Are they

All the same

- Coathanger

No

There can be:

- Variety

In coathanger

And ours:

- Here

A Story

Specific here =

- This one

Coathanger

As method

- Specific

For a man

It

The Specific:

- It

We talk about

Coathanger

- We know it

And with:

- Variety

Some are

Different

Coathangers

Then ok

Here:

- A Story

A Specific

One type:

- Coathanger

Coathanger:

- Used

As method

Facing life:

With a method

- A man

And here:

Our example
Coathanger

This one:

Only one arm

A:

Coathanger

With only
One arm

Our type:

- Specific

Coathanger

With only
One arm

Real

Coathanger:

- Yes

Usually:

- Two arms

Yet here:

- A man

With method

Coathanger

With only
One arm

This:

- I say

Can exist

Sure:

We would
Wonder

Why

Why just
One arm

Coathanger

Yet remember:

- As method

One type
Coathanger

Used as method

Method for:

- Facing life

A man:

Facing life

With a method

In the Story:

There is

A guy

- A man

Oh let's see

Idea

We have:

- A coathanger

With only

One arm

One Armed

Coathanger

Real name:

One Armed

Coathanger

Title =

Bad Coathanger

Coathanger:

Only one arm

Can be

A method

Pg 12

An approach:

For facing life

That's the:

- Idea

A Coathanger

With only

One arm

Coathanger

- Like singular

Like simple

Even careful

A Coathanger

With only

One arm

- As method

An approach

For facing life

A Coathanger

With only

One arm

So we know

- The idea

One Armed

Coathanger

Story

- Method

A Coathanger

With only
One arm

One Armed
Coathanger

So we know:

- The idea

One Armed
Coathanger

Oh

What a
Hard job

One Armed
Coathanger

Yet:

Sometimes
Occurs

And:

- Sometimes

We see it

Method =

One Armed
Coathanger

Picture

Enters:

- A guy

A man

After enters:

- He continues

Goes along

Like:

- Lives life

Him

Guy

Going along

Description:

- He could be

Professional man

So:

Picture

A guy

And also:

Picture

- Us

Like

With

This example

Ok

Going Along

Guy:

- Pictured

He goes along

And good:

He does ok

Let's say:

- He does ok

Then that is:

- One

He does ok

One

More still

Friends

Whoa:

- Guy

He has
His friends

Them:

Seeing this

That he
Does ok

So they say:

He is ok

- Yay

Them

Seeing this

That he
Does ok

So they say:

He is ok

Yes

Then that is:

- Two

Him and
His friends

Them

Saying ok

He does ok
He is ok

Btw:

This is
On the side

More on

Him and
His friends

About ok

So guy:

- Being ok

He is there

- Him

Going along:

Getting along

- Being ok

He is there

So he tries:

Tries to
Stay small

Stay small:

- In ok

He thinks:

It's possible

Stay small
In ok

View

Guy:

- Seeing he

Is ok

- He smiles

And also:

Ok by
His friends

That's good

- He likes it

So guy:

Feels ok

Like reassuring

Guy smiles

Friends View

- So friends

His friends:

With him

He thinks ok

As ok

Seen as ok

They see
He is there

Him

And:

With him as
Being ok

He likes it

They:

Friends

Ask him for
Stuff

He is there

He is ok

They:

Ask him for
Stuff

- His friends

Hey

Could be

Asking

- Them asking

This:

- Asking

By friends

What I mean:

Is

They try to

- Pad him

Like

Add load

This is like:

Add on

To it

Like:

Guy bigger

Example:

Good ideas

Add on

Good ideas

Or suggestions

Add on

Suggestions

Stuff like that

This is like:

Pad him

Add load

On guy

Pg 20

Add on
To it

He is there:

He is ok

Friends:

Ask him for
Stuff

Could be

Point

Method:

- Him

Like to cope

One Armed
Coathanger

We discuss it

Maybe possible

Maybe we:

Have seen it
Such method

Guy:

As he
Goes along

A:

- Good guy

Likeable

Ok man
Pg 21

And remember:

- Him

Being like this

Likeable

Him ok

He tries:

To

Stay small

Guy tries

To stay small

He is:

- Doing ok

Likeable

Ok

He tries:

To

Stay small

Yes him:

Managing him

Staying small

Him:

With friends

Then:

- Him

Like this

He is

Maxed out

At maximum

Him:

- Getting by

Cutting the
Mustard

Full

Guy:

Just being
Himself

Him

Getting by
Doing ok

He is there

Also:

Remember

His friends
Ask him for
Stuff

Could be

Then

When:

- Friends

Ask him for
Stuff

They try to:

Add on

Pg 23

Guy:

Sees this

His friends

There

And guy:

At maximum

Him

Getting by

Doing ok

So:

Him

Seeing this

- Friends

Wtf:

I mean

He balks

Guy:

Hesitates

Refrains

Or stalls

He might:

Freeze up

Whoa:

Maybe

Too much

- His friends

To do

His friends

Ask him for
Stuff

- Small

Mentioned

At small:

- Him

Can only do
So much

Small:

- His choice

Yes

Small:

Like capacity

We can:

Understand it

Like

Size
Composition
Construct

Pg 25

And guy:

- By choice

Stays small

Stay small
He chooses

So him:

- As small

Can only do
So much

Small:

His choice

Yet Friends

Guy small:

- And friends

They

Ask him for
Stuff

They try
To add on

But him small

Whoa

What to do:

- Guy

Friends:

Suggestions

Like:

Try this too

Go there too

Go or play

More of
This or that

Oh guy:

What to do

- Him

Guy there

As small
He balks

Maybe stalls

Him:

Singular
Only so big

Small

By choice

Choosing

Well:

- We see

Him

Like this

It looks like
He would

Use old method

Think:

One Armed

- Capacity

As small:

Guy

Probably finds
Title method
Useful

Method =

One Armed
Coathanger

It:

- Method

Useful
In small

His choice:

- Convenient

In small

Method:

One Armed
Coathanger

His:

- Friends

Request a lot

Guy sees it

He balks

As small:
