This is Article:

- Coin Man

It is About:

A Man

Man named:

- Coin Man

He is:

Important

Coin Man

Important:

Because of

- Coin

Coin is:

Important Part

Coin Man

Ok

Symbol

Coin as:

- Symbol

Hey:

We know

Coin

Like:

Nickel

Dime

Quarter

Even penny:

We know

Coin

And since:

- We know it
- Coin

Then it could:

Be a symbol

So if:

- Coin
- As symbol

Like here:

Story

Then easier:

To get

Idea:

- Coin Man

Coin as a:

Symbol

Pg 2

Symbol is:

- Like

To represent

So idea:

Coin Man

Coin as a:

- Symbol

Use of coin:

Here

Him

Still with:

- Title

Title is:

Coin Man

And symbol:

- Remember

Use of coin:

Here

So:

- Topic =

Coin

Ok

Him:

Coin Man

You know:

Regular guy

Hey:

Soon I will
Say

We see him:

- Around

So:

Regular guy
Coin man

Best example:

- Coin Man

We might:

See him
In

Conversation

Conversation:

- Like

With people

Talking
Together:

Conversation

And present:

- Coin Man

Him there too:

Coin Man
Pg 4

Like in:

Conversation

Coin Man:

Him there too

Around

Definition

Coin Man:

- Definition

Remember:

Based on
Coin

Coin in name

And:

Coin as
Symbol

Coin Man

Let's see:

- Coin

Coin

Coin we know

Here USA:

- Coin

Actually:

Could be
Global
Pg 5

Reason is:

Coin

And main:

Part

Coin:

- Has two
- Sides

Main side:

Back side

Coin

This is:

Helpful

For:

Coin as
Symbol

Coin man

About Coin

Well:

- Coin has

Two Sides

This is:

Important
For

Coin man

Coin man:

- With coin

Coin as
Symbol

And coin has:

- Two Sides

Simply is:

Side one
Side two

Coin:

- With

Two Sides

Used for:

Coin man

Main guy:

- Coin man

Coin has:

Two Sides

Coin man

Description

He goes:

- Into action

Coin man

He starts

And with:

- Coin as
- Symbol

Coin with
Two sides

He starts:

- Coin man

In conversation:

Coin Man
Shows

- Coin

He starts:

By us
In

Conversation

He shows:

Coin

He shows:

- Side one
- Coin

Always starts:

Like this

He shows:

Side one
Coin

He calls it:

- Him

He shows:

Side one
Coin
Pg 8

Description:

- Coin man

He starts:

Shows

Side one

Coin

Coin man

Continue

Well:

- Continue

Like:

Ok

Coin man:

- Starts

Shows

Side one

Coin

So:

- How long

Like:

How long

Show:

- Side one
- Coin

How long

Pg 9

Interesting:

- Here

Omg

Like:

- Method

You see

So so guy:

- Coin man

If method:

Involved

Then:

- What is it

Method:

Coin man

Quickly:

- To bait

I don't know:

If bad

But still:

- Method

Coin man:

Method

To bait

By bait:

Coin man
Would

- Use method

Example:

Might be

Ask a
Question

To bait:

Coin man
Might

- Ask a
- Question

And:

How long

Well he:

- Would

Set it up

Coin man:

- To bait

Might

Ask a
Question

To
Set it up

Seeing it

If:

- Coin man

Is there:

There too

Present:

Coin man

And with:

- Method

He might:

Ask a
Question

Probably we:

Have
Seen this

Coin man:

- Present

And:

Ask a
Question

Question:

To
Set it up

Coin man

After:

- Ask question

Then he:

Follows with

Interrogation

This is like:

- Quizzing

Omg

Yuck

Or barf

Coin man:

- After

Ask a
Question

Follows with

Interrogation

Interrogation:

Like
Quizzing

But when:

- He starts

Interrogation

How long:

Ask a
Question

Then:

Follows with
Interrogation
Pg 13

Remember coin:

- Side one
- Side two

He starts:

We see

- Side one

And he:

Starts

Ask a
Question

Coin man:

Starts
By

Ask a
Question

Distinction

Side one:

- Start

And said:

He baits

Coin man:

- Baits

Method:

To bait

Like:

Set it up

So this is:

Side one

Show at first:

- Side one

Coin as
Symbol:

Start

He baits

Side one:

- Start

And
He baits

Coin man

Well:

How long

- Side one

Start:

How long

This depends:

Coin man
Method

Start:

Side one

Since he
Baits:

- Show
- Side one

Then:

- Go to
- Two

Side two:

His main
Thing

Side one:

- Set it up

Then:

- Side two

Coin man

Btw:

Side two
Is

Bad

Coin man:

- Has method

And side two:

Is bad

He:

- Sets it up

Get to:

Side two

Side two:

- Is bad

Pg 16

Example

Type:

- Coin man

What type:

Of guy

Well we:

- See it

This type

Coin man:

Example

Poor people:

Example

And method:

- Like how

Set it up

Like how:

Method

Quickly:

- He might

Play simple

Then lunge

By lunge:

We see

Insist

Pg 17

Or demand

He might:

Play simple
Then lunge

And many times:

This is
Like

Righteous

Omg

He plays
Righteous

Set it up:

Then lunge

As if:

- Righteous

And we do:

- See it

Coin man:

- Method

Yep

Point

Well we see:

- Coin man

Man with:

Method
Pg 18

Show:

- Side one

Set it up

Then:

- After that

Like:

Play simple

Side two:

- Lunge

Like:

Insist

Demand

- Side two

His goal:

- Design

Coin man

Set it up:

Side one

Question

Then:

When possible

Lunge

Side two

Lunge

Like for:

Glory

Pg 19

Sometimes:

Righteous

He poses
Righteous

Coin man

Idea

His idea:

- Coin man

Like what:

- Is

His idea

We see:

- Ask question

I guess to:

Collect

So if:

- Ask question
- To collect

Then:

Collect what

And:

How much

Collect
How much

Enough what:

- Coin man

We might:

Wonder

Collect what:

And
Collect

How much

Well I did:

Figure it
Out

Look

Outlook

This guy:

- Coin man

Duh:

He baits

So not the:

Best guy

- Reckon no

Bad outlook:

It seems

Look:

He tries
To collect
Pg 21

He:

Ask question
To collect

Coin man

Then we:

- Wonder

Collect what:

And
Collect

How much

Point is:

To dominate

Damn:

I don't
Like it

If he:

- Coin man

Collects
Enough

Then he will:

- Try dominate

Take over

Rule

Big shot:

- Coin man

And if he:

Does

Collect enough

And if he:

Does

- Take over

Well:

What would

He say

This part:

- Oooh

Not good

Look

Brag

To end:

- Brag

Coin man:

Would brag

And omg:

The type

Gag

If:

Big shot

Coin man

Pg 23

Does:

Collect enough

And if he:

Does

- Take over

He would:

Tell you

That he:

Has more
Of your stuff
Than you

Omg

Bad

If true:

Then dominate

He would:

Dominate

If he:

Has more
Of your stuff
Than you

This sounds:

Sad

Review

Story of:

- Coin man

Regular guy

But maybe:

Tricky

Like:

Method

Maybe with:

Method

We see:

- Coin Man

Quickly:

- Sum

He presents

Him

Side one

Coin

Coin Man

Intent is:

To bait

Like collect

Then:

- After time

A measure

Of time

He goes to:

- Side two

Pg 25

Bad side:

Side two

Other side
Of coin

Set up:

Side two

His plan:

- For him

Again:

To collect

So this is:

- Coin Man

But remember:

He is only

- Coin man

We see:

- Coin

As symbol

Coin:

With
Two sides

We don't know:

If his coin

Is real

If he remembers

Does he care

Playing only:

- Perhaps

But:

Coin man

- We may
- See

And he:

Wants to
Dominate

To say he:

Has more
Of your stuff
Than you

I think no
