This is Article:

- Fat Black

About:

- Dirt

Whoa:

Yes

Dirt

This dirt:

- We see it

See it around

Commonly known:

- Dirt

Dirt we see

See around

And here:

- Article

Fat Black

Dirt is fat

Dirt

Checking

To see:

- Dirt around

Let's check

Checking:

- Definition

Dirt

Dirt is around

This dirt:

Like around

- caused by

people

We see it:

dirt around

This dirt:

- made from

indulgence

Man made dirt

Around:

- we see

errors

Or we see:

missing

Pg 2

Missing from:

- things like

lunge

or accusations

- missing

We see:

indulgence

People doing:

what they want

- choice

or preference

Indulgence:

- by people

People doing:

what they want

See them:

hurling preference

This =

- dirt around

And it is

ng

no good

Behavior:

- like

Pg 3

wasting things

Dirt around

yes

Amount

Title:

- Fat Black

Refers to this

- amount

Much dirt
Around

Whoa

- Amount =

much

Much dirt
Around

Amount

Sad

This:

- Sad

Refers to
Amount

So much:

- dirt around

Much dirt
Around

Amount =

Much

This article:

- Fat Black

Shows

So much:

- Dirt around

That

Dirt is fat

Not rich:

- But

Fat

Much dirt

Around

- Dirt is fat

For convenience:

Much dirt

Around

- Is double

Dirt:

- Times two

Much dirt

Around

Is double

Too much dirt

Around

Source

Dirt:

- Is around

Dirt:

caused by
people

So:

Man made dirt

- And said =

double

Times two =

- double

This:

dirt doubled

Is like:

- dirt

amplified

Could be:

dirt

aggravated

Or dirt:

compounded

This:

- dirt

Pg 6

compounded

is like

double

Double dirt =

- a compound

Compound or:

a piece

Piece like solid

dirt

not good

A:

compounded

piece of dirt

- like

a brick

And:

man made

not possible

And:

- source

man made dirt

Is from:

- mind

Man made dirt:

- like a brick

made from mind

not possible

no

Color

So:

- enough said

Dirt is around

And this:

- dirt

times two

Much dirt

Around

- Is double

Too much dirt

Around

Attempt at:

- a brick

like solid

- solid dirt

man made dirt

Would be:

- only

color black

So title =

- fat black

Attempt at:

- a brick

like solid

solid dirt

man made dirt

Would be:

- only

color black

So title =

fat black

And this:

- dirt

made from mind

boo

not possible

cannot be

no

Color =

- black

not more

Review

We see:

- dirt around

Much dirt
Around

And this:

- dirt

times two

terrible

This makes:

- title

fat black

Like:

dirt times
two

- as a brick

Then color =

black

not more

- fat black

Much dirt
Around

dirt

times two

we cannot have
man made
black brick

no

I have article:

- dual cruel

shows this

A compound:

dirt times
two

This dirt:

dirt times
two

won't get solid

no

- so ng

no good

dirt times
two

- a brick

fat black

no

Short

Attempt:

dirt times
two

- not possible

- Reason =

short

This is:

lacking

Think:

dirt times

two

no handshake

with nature

There would be:

lack of

recognition

Especially as:

- double

dirt times

two

man made dirt

No regard:

by nature

no

Not by:

spirit either

no

- no regard

short

lacking

dirt times
two

Lacking like:

- substance

This:

can't get solid

no

Futile

So this:

- dirt

dirt times
two

- Is futile

not possible

we cannot have
man made
black brick

no

So only futile

This is:

- like

only a
waste of time

- futile

Futile =

short
Pg 13

lacking

Lacking like:

- substance

we cannot have
man made
black brick

dirt times
two

- no

no way

it won't work

no

Ponder

- Wonder this

I don't know
if you can get

dirt doubled

dirt times
two

Dirt:

made from man

- and

mind made

We see:

using mind for

hurling things
Pg 14

Or:

- lunge

accusations

This:

it is lacking

not of
the ways of
people

mind made idea

- cannot be

solid brick
of dirt

from man

no

And:

- mind made

no

cannot be

So futile

too extreme

I don't know
if you can get

dirt doubled

dirt times
two

No dirt brick:

- no
