This is Article:

- Mental Woe

It is About:

- Woe

Woe like Grief

Sad

Bitter Grief:

Is Sad Grief

- Woe

Sad here is:

Mental Health
System

Omg yes

Grief

Look

Woe

Article says:

- Woe

Maybe we know:

Woe

Specific here

Title is:

- Mental Woe

Most Woe:

- Sad Woe

And:

Mental Woe

Maybe worse

So woe:

- Why woe

This leads to:

- Point

We Can See

Description

Said is:

- Woe

And specific:

Mental Health
System

So point is:

- I wish to
- Show

Mental Health
System

- Only woe

So here:

- Show is
- By

Description

Simple thing:

Really

Show by
Description

Title =

- Mental Woe

And specific is:

Mental Health
System

About

Remember:

- Mental Health
- System

And:

- Description

Simple thing:

Really

Description:

As
Non acute

Simple facts:

We know

Fact One

Fact One:

- Commitment

In:

Mental Health
System

- Clients

Patients =

Clients

Called clients

So these:

- In

Mental Health
System

And term is:

- Commitment

Like:

How did they
Get there

Commitment

Term is:

- Commitment

Probably a:

Psych term
Commitment

Commitment:

- Type =

Command
Or mandate

Forceful:

- Whoa

At least
Forceful

- Commitment

And most:

- Clients

Non voluntary

So:

- Commitment

Type =

Command
Or mandate

Like
Forceful

Non voluntary:

- Commitment

Type:

Forceful

Ok fact one

Fact Two

Fact Two:

- Makeup

Client makeup:

- Fact Two

Again:

Description

Simple thing:

- Really

Description

Client makeup:

- Simply put

poor people
much ethnic
not beautiful
not handsome

This is like:

- Generally

Lack luster

Description:

- Put

Fact Two
Makeup

Generally
Lack luster

Client makeup
Pg 6

Color

A bit more:

- Client makeup

Can color it

Like

More full

Description:

- Fact Two
- Client Makeup

With color:

More full

So:

- A few
- Specifics

Clients:

- Generally

christian type

cigarette smoker

And again:

- poor people

Definitely not:

Super educated

Client makeup:

Mostly

poor people

Yet:

- Quickly

One last thing:

- With

High school
Diploma

Omg:

- Let's go on

Finished:

Description

Fact Two
Client Makeup

With color

Ok

Point

So here:

- Cool part

Sure it:

Hurts

But still:

Cool part

Maybe venom:

Yet cool

So why to:

- Say cool

Client fate:

Sad

And called:

- Woe

Even:

Title

Mental Woe

Well:

- They locked up
- Them

Clients:

Yep

So point:

- As
- Locked up

Then they can't:

Go anywhere

Well you:

- Probably

Guessed this

But hey:

Did you

Say it

Try to:

Say it

Look at this

Pg 9

Clients:

- As
- Locked up

Are like:

Trapped

And this said:

- For point

Point in:

One sentence

So put it here

Sentence

The sentence:

- Describing
- Clients

Clients in:

Locked up

Sentence is:

As

Locked up

Staff says:

Hey you guys

You don't

Get to

Access

Burden of life

- One sentence

Pg 10

As said:

Maybe you
Guessed it

But still:

Woe
Like grief

Once more:

- Sentence
- By staff

Hey you guys

You don't
Get to
Access

Burden of life

Woe:

- Is woe

Even:

Title
Mental Woe

Sure:

- What does it
- Look like

I have idea

Lament

Quickly:

- Since

Point put
Pg 11

Wow:

A starter
On

- What does it
- Look like

Client might
Think

I don't mean:

Error

Just:

Client might
Think

- Ok, like what

Client might
Think:

Wow

- What would I
- Do

If this didn't
Happen

Or more:

Refined

Client might
Think:

What duties
Of me
Out there

Would I do

Omg:

- Does it
- Hurt

Like:

Lament

Same Thing

Longing:

- Same thing

Simple idea:

On
Same thing

Idea would be:

- Whoa

Did I
Miss something

Does he think:

Whoa

Did I
Miss something

Client thinks:

- What if

And idea here:

Whoa

Did I
Miss something

Omg
Pg 13

God bless
The child

I don't know

Second

Just a quick:

- Second

Probably you:

Know this

This:

- A second

Mental Health
System

Mandatory

Medications:

- Mandatory

Type is:

Psycho
Tropic

Mind altering:

- Medications

Type is:

Psycho
Tropic

Mandatory:

Mental Health
System
Pg 14

So:

- Omg

Lucky to think

Medications:

Whoa

Did you see

The size

Big dose:

- Common

Dopey stuff:

Psych meds

Psycho

Tropic:

- Medications

Mandatory

So if:

- Client thinks
- Ok

Hopefully

Omg:

Then cool

Like:

Better than

Dead

Yep

Still:

- Mandatory
- Medications

Psych policy

Must do

Summation

Just before:

- To end

Summation:

Loco scene

Mental Health
System

With description:

- Evident
- Put

A term is:

Suffering

Remember:

- Sentence

Clients is:

Locked up

As:

- Locked up

Staff says:

Hey
Pg 16

Hey you guys

You don't
Get to
Access

Burden of life

So:

- Locked up

Miss it:

In there

Yes it is:

A miss

What to do:

- Is there
- Duty there

Is:

Mental Health
System

Duty

I think:

- Never said

Looks like no

So:

Sad

ENDING

Facts put:

- By description

Sentence is:

Compelling

Like:

- Hard to
- Shake

Yes:

Even me

Oh

It hurts

Life is hard:

- Duty abounds
